I have no words to thank our worthy chief patron S. Karnail Singh Doad for constant encouragement and support, and special thanks to our president S. Gurdev Singh Brar IAS (Retd), he is an indescribable personality – so pure, so patient, so humble and so wise...we are blessed to have a leader of such calibre. I am also grateful to our Sr.Vice president S.Kuldeep Singh Gill, director, Dr. Gursevak Singh, and all other members for their commitment and conviction towards the society. I am proud of my dedicated faculty, staff and dearer students for being co-operative, helpful and contribution to the growth of the institution.

Though we are proud of our many successes, we cannot be satisfied by simply resting on our laurels. It is our mission to strive higher. No matter how many goals we reach along the way, the true and unfatigueable spirit of lifelong progress runs through the core of our mission.

Thank you
