Good morning ladies and gentlemen!

It is my great pleasure to welcome you all; Graduates and Post graduate students of DIRDS, families and friends of our Graduates. A very special welcome to our Chief Guest Prof. Dr. Raj Bahadur, Vice Chancellor , BFUHS, Faridkot, My greetings to our own faculty members, staff, and current students of DIRDS. I also welcome our fellow members of the Sangat Sahib Bhai Pheru Sikh Education Society and also media representatives.

This is our First Convocation and should go down as a landmark because of the distinguished presence of a nation renowned surgeon, academician, and humble human being who also happens to be the VICE CHANCELLOR of BFUHS. While Dr. Sodhi principal of DIRDS will place before you the activities of the institute in greater detail, I would like to wish success to all graduates witnessing this Convocation of DIRDS as this the changing moment in the lives of our Graduates, marking another milestone for this institute.

I take this opportunity to urge our Graduates & Post Graduates to keep in mind the teachings of their alma mater. This day belongs to YOU, but it also belongs to your parents and guardians, some of whom have taken the trouble of being present in this hall of grace today. I congratulate all of you and wish you an eventful and memorable journey ahead. Today's ceremony reflects a proud moment for the DIRDS because as a Pioneer healthcare institution of INDIA , DIRDS has reached 25 years & has crafted a special place for itself in the academic map of the country.

We are proud that DIRDS, Faridkot today is equipped with the best of faculty, infrastructure and systems to support its mission to teach

and train socially sensitive and globally competitive health care professionals. The Institute's progress in engraving its name in the national space of dental education has already earned global recognition. National and state level conferences are often organized & research credentials of DIRDS faculty members are now well recognized. We are very happy that our institute has been successful in achieving best results in the university exams. With such a momentum, I am sure DIRDS; Faridkot will soon explore other opportunities to expand. While we all are impressed with the efforts of our institute to establish itself as a knowledge hub in Northern India, we wish our students higher professional pursuits and achievements. We do hope that our students, after graduating, strive to create better conditions and meaningful prosperity for fellow citizens around them and for the world at large. We are proud to send our new graduates & Post Graduates off to the world as trained and motivated citizens from the world of Dentistry.

VOTE OF THANKS

It is my honour and privilege to propose the vote of thanks. Honourable chief guest for this graduation ceremony Prof. (Dr.) Raj Bahadur, Vice Chancellor, Baba Farid University of Health Sciences, my fellow Board members of Sangat Sahib Bhai Pheru Sikh Education Society, All the Faculty members of this Institute, most importantly our eminent graduates and post graduates of this institution, parents and family members of graduates and post graduates, media friends, dear students and ladies and gentlemen a very good afternoon to u all.

We are gathered here on this august occasion first graduation ceremony of Dasmesh Institute of Research and Dental Sciences. This occasion is special for me in two ways; it is special because 180 graduates and 38 post graduates have had degrees conferred on them; it is special because for the first time we organized this convocation ceremony.

On behalf of the entire Family of this institution, I take this opportunity to thank all those here present and those who could not make it to be with us today. Allow me to begin by thanking our chief guest Professor (Dr.) Raj Bahadur Chancellor, Baba Farid University of Health Sciences, for accepting to grace this day with his presence. I would like to convey my heartfelt thanks to you sir for sharing your very valuable insightful convocation address.

I convey my sincere regards to all the 180 graduates and 38 postgraduates from various batches witnessing here for this dignified ceremony, and also I wish all of them a better future.

I extend my warm gratitude all the members of Sangat sahib Bhai Pheru sikh education Society, as they always provided constant support for the things we do together under the astute guidance of our patron S.Karnail Singh Doad and President S. Gurdev Singh Brar, Who is the spirit of this 25 year-old institution and the journey called DIRDS.

I extend my sincere gratitude to the Principal Dr. SPS Sodhi, for seeding the idea of this academic ceremony and organizing this with utmost perfection, like someone told me years ago – a bow never reaches where an arrow reaches.

I further extend my thanks to all the Heads of Departments, and convenors for the event Dr. Tarun Kumar and Dr. Thippeswamy for helping us out whenever, wherever and whatever we approached them.

Over the years we have been fortunate enough to be backed by a team of very motivated, dedicated and qualified professors and lecturers under the guidance of our principal Sodhi. With their wealth of knowledge and experience, they have given us deep-rooted foundations in our various fields of study. For this, I owe them a huge debt of gratitude.

I also take this opportunity to extend our most sincere thanks to all our invited guests who have come from far and wide. Thank you for being here today to share in our joy.

I would like to extend my kind regards to all the media friends for being with us in this hall of grace and capturing every moment.

I also express my gratitude to those who have supported us in practical ways behind the scenes; from the administration staff, and the support staff of the auditorium.

Finally, to our wonderful student audience who have turned up in such overwhelming numbers. I thank you all, for coming to rejoice with us. Thank you all for your patience and cooperation.

Thank u one and all.

VOTE OF THANKS

It is my honour and privilege to propose the vote of thanks. Honourable chief guest for this graduation ceremony Prof. (Dr.) Raj Bahadur, Vice Chancellor, Baba Farid University of Health Sciences, my fellow Board members of Sangat Sahib Bhai Pheru Sikh Education Society, All the Faculty members of this Institute, most importantly our eminent graduates and post graduates of this institution, parents and family members of graduates and post graduates, media friends, dear students and ladies and gentlemen a very good afternoon to u all.

We are gathered here on this august occasion first graduation ceremony of Dasmesh Institute of Research and Dental Sciences. This occasion is special for me in two ways; it is special because 180 graduates and 38 post graduates have had degrees conferred on them; it is special because for the first time we organized this convocation ceremony.

On behalf of the entire Family of this institution, I take this opportunity to thank all those here present and those who could not make it to be with us today. Allow me to begin by thanking our chief guest Professor (Dr.) Raj Bahadur Chancellor, Baba Farid University of Health Sciences, for

accepting to grace this day with his presence. I would like to convey my heartfelt thanks to you sir for sharing your very valuable insightful convocation address.

I convey my sincere regards to all the 180 graduates and 38 postgraduates from various batches witnessing here for this dignified ceremony, and also I wish all of them a better future.

I extend my warm gratitude all the members of Sangat sahib Bhai Pheru sikh education Society, as they always provided constant support for the things we do together under the astute guidance of our patron S.Karnail Singh Doad and President S. Gurdev Singh Brar, Who is the spirit of this 25 year-old institution and the journey called DIRDS.

I extend my sincere gratitude to the Principal Dr. SPS Sodhi, for seeding the idea of this academic ceremony and organizing this with utmost perfection, like someone told me years ago – a bow never reaches where an arrow reaches.

I further extend my thanks to all the Heads of Departments, and convenors for the event Dr. Tarun Kumar and Dr. Thippeswamy for helping us out whenever, wherever and whatever we approached them.

Over the years we have been fortunate enough to be backed by a team of very motivated, dedicated and qualified professors and lecturers under the guidance of our principal Sodhi. With their wealth of knowledge and experience, they have given us deep-rooted foundations in our various fields of study. For this, I owe them a huge debt of gratitude.

I also take this opportunity to extend our most sincere thanks to all our invited guests who have come from far and wide. Thank you for being here today to share in our joy.

I would like to extend my kind regards to all the media friends for being with us in this hall of grace and capturing every moment.

I also express my gratitude to those who have supported us in practical ways behind the scenes; from the administration staff, and the support staff of the auditorium.

Finally, to our wonderful student audience who have turned up in such overwhelming numbers. I thank you all, for coming to rejoice with us. Thank you all for your patience and cooperation.

Thank u one and all.
