## INTERNAL QUALITY ASSURANCE CELL (IQAC)

**Das mesh Institute of Research & Dental Sciences**  
**Talwandi Road, Faridkot**

(Recognized by Dental Council of India, New Dehli)

### INSTITUTIONAL COLLABERATIVE ACTIVITIES

#### 1. Collaboration with G.G.S medical college

- Under graduate and Post graduate students of the intuitions attend clinical postings in different specialities at Guru Gobind Singh Medical College, Faridkot.

#### 2. MOU with CIVIL HOSPITAL, Faridkot

Institute worked hard to keep essential dental health services running during challenging COVID 19 pandemic period and the need of the hour was to have collaboration with district hospital for COVID 19 sample collection and to establish a testing center. During this period institution also released a COVID 19 Protocol manual for the proper execution of the guidelines and on 14<sup>th</sup> June 2020 established a Memorandum of Understanding (MOU) with District Health Authorities for setting up sample collection centre for RTPCR and established the use of rapid antigen tests in Dasmesh Hospital.

#### 3. STUDNET TEACHER EXCHANGE PROGRAMME

Baba Farid University of health sciences (BFUHS) along with Department of medical education and research started a new programme of master classes for different speciality of dentistry. In this programme all post graduate students of a particular speciality are collectively taught theory and practical part of their speciality by a pool of PG teachers for a period of 6 days at a particular PG institute. This initiative of the university started from 2022 and this year our institute master classes in orthodontics where we 30 post graduate students from all over the state attended the programme for 6 days. 17 speakers from different institution taught various practical and theoretical aspects of orthodontics during this programme. 27 Post graduate students of different speciality from our institution also attended this programme at different dental colleges. Similarly seven post graduate teachers of our institute also invited as guest speakers in their speciality at different dental colleges.

#### **7. MOU with District Jail**

- As a part of community outreach programme institution is having collaboration with District Jail. In this collaboration institution established small dental treatment set up as satellite centre of DIRDS. Faculty, students of the institution periodically visit this satellite unit and perform the needful screening and treatments to the inmates of jail.

#### **8. Village adoption Programme**

- For communities like schools, village gram panchayats; partnering with DIRDS increases the capacity to address important oral health issues. At their best, outreach and engagement activities provide significant learning and growth opportunities to faculty, students, staff and partnering communities. Till date institution is having collaboration with 4 villages and in this collaboration people of the villages BHANA, CHAHAL, VANDER AND KHUMIARA are given treatments under subsidized charges.

#### **9. School health programmes**

- Institution is having collaboration with associated public schools of SANGAT SAHIB BHAI PHERU SIKH EDUCATION SOCIETY. In this collaboration faculty and students periodically visit the associated schools and performs oral health check up and necessary treatments are provided to school children under subsidized charges.
