**SILVER JUBILEE YEAR
REPORT 2017-18**

**Presented By:-
Dr. SPS Sodhi**

Annual Report 2017-18

Twenty Five years for an institution is a worthy stage where one can start matching expectations with results, objectives with achievements and above all, blessings enjoyed with difficulties & hardships endured! Dasmesh Institute of Research & Dental Sciences, Faridkot has emerged a premier Dental Institution with difference, a promising institution of the country providing value added, quality education in Dentistry, and an institution marching towards excellence!

It is often said "Perfection is not attainable but if we chase perfection, we can catch excellence" Yes, every school and college strives for excellence. So do we, at DIRDS With the Vision "To Establish an Excellent, Value-based Educational Hub to Meet the Challenges of Global Competitiveness",

It all started with a holy man and his vision! A young revered man who dreamt big and went after his dream with an iron will, His Holiness S.Karnail Singh Doad the founder chairman of DIRDS, he dreamt of uplift of the underprivileged in the form of basic education, in general and health care education in particular. His dream is being realized today! It is heartening to mention magnanimous management for strengthening in our journey of achieving excellence in this field. I have no words to thank our Chief Patron The messiah S. Karnail Singh Doad, President S.Gurdev Singh Brar, IAS (Retd.), S. Kuldeep Singh Gill, Sr. Vice President, Dr. Gursevak Singh, Director, S. Jasbir Singh Sandhu, General Secretary, S. Swaranjit Singh Gill, Treasurer, S. Amarjit Singh Doad, Joint Director and other eminent members of the management for their constant support and guidance.

Last year exactly on the same date we greeted the Silver Jubilee Year by the curtain raising ceremony and today on the same day we are concluding this silver jubilee year through this glorious occasion. So on this august occasion of Silver Jubilee Celebrations of DIRDS I am privileged to present the annual report of 2017-18. Like every year this year also amalgamated with splendid academic excellences, achievements, infrastructure development and extracurricular activities and all these activities held under the banner of silver jubilee celebrations.

VOTE OF THANKS

Honourable chief guest for this Silver jubilee ceremony Prof. (Dr.) Raj Bahadur, Vice Chancellor, Baba Farid University of Health Sciences, esteem guests my fellow Board members of Sangat Sahib Bhai Pheru Sikh Education Society, All the Faculty members of this Institute, most importantly our eminent merit holders this institution, parents and family members of merit holders, media friends, dear students and ladies and gentlemen a very good evening to u all.

We are gathered here on this noble occasion; Gala inauguration of Silver Jubilee ceremony of Dasmesh Institute of Research and Dental Sciences and the annual academic award ceremony of the institution. This occasion is special for me in two ways; firstly, it is special because it is the Silver Jubilee celebration and next, most of the merit awardees are actually toppers of the university too.

On behalf of the entire Family of this institution, I take this opportunity to thank all those here present and those who could not make it to be with us today. Allow me to begin by thanking our chief guest Professor (Dr.) Raj Bahadur Chancellor, Baba Farid University of Health Sciences, for accepting to grace this day with his presence. I would like to convey my heartfelt thanks to you sir for sharing your very valuable insightful thoughts on this occasion.

11 I convey my sincere regards to all the merit holders and their parents are witnessing here for this dignified ceremony, and also I wish all of them a better future.

I also take this opportunity to extend our most sincere thanks to all our invited guests who have come from far and wide. Thank you for being here today to share in our joy.

I would like to extend my kind regards to all the media friends for being with us in this hall of grace and capturing every moment.

I Convey a special thanks straight from the bottom of my heart to Dr. Amarjeet Singh Marwah, Family of Amrik Singh, Prithipal Singh, Dr. Manohar Singh, S. Mokham Singh, Smt. Amarjeet Kaur, Smt. Sukhjeet Kaur, S. Harjinder Singh Tangri, S. Balwinder Singh, Dr. Budhraj Singh, Dr. Harsimran Singh, for their constant motivation for the students of this institution by sponsoring these merit awards. Efforts of these constant motivations could be the probable reason behind more number of students reaching top positions in the university, thus helping the institution in setting high academic standards. I am gerateful to press for their support.

I extend my warm gratitude all the members of Sangat sahib Bhai Pheru sikh education Society, as they always provided constant support for the things we do together under the astute guidance of our patron S.Karnail Singh Doad and President S. Gurdev Singh Brar,

Who is the spirit of this 25 year-old institution and the journey called DIRDS.

I extend my sincere gratitude to the Principal Dr. SPS Sodhi, for seeding the idea of this academic ceremony and organizing this with utmost perfection, like someone told me years ago – a bow never reaches where an arrow reaches.

I further extend my thanks to all the Heads of Departments, and Chief coordinator for the event Dr. Tarun Kumar for helping us out whenever, wherever and whatever we approached them.

Over the years we have been fortunate enough to be backed by a team of very motivated, dedicated and qualified professors and lecturers under the guidance of our principal Sodhi. With their wealth of knowledge and experience, they have given us deep-rooted foundations in our various fields of study. For this, I owe them a huge debt of gratitude.

I also express my gratitude to those who have supported us in practical ways behind the scenes; from the administration staff, and the support staff of the auditorium.

Finally, to our wonderful student audience who have turned up in such overwhelming numbers. I thank you all, for coming to rejoice with us. Thank you all for your patience and cooperation.

Thank u one and all.
