

KALEIDOSCOPE-2019

THE ANNUAL YEARBOOK

KALEIDOSCOPE-2019

**DASMESH INSTITUTE
OF RESEARCH & DENTAL SCIENCES**

FARIDKOT, PUNJAB

Messages

Messages

Curtain falls on yet another eventful year. DIRDS has yet again succeeded in providing the students with a meticulously and carefully planned mix of academics and extra-curriculars through which all DIRDIANS have proved yet again that, it's not just studies that we excel in, but every single endeavour that we choose to do.

I hope the magazine will bring creative talents of the students of the institutes. I invite you to read through the great news about your institute in this edition, and experience some excellent literary work by your colleagues.

Best of Luck!

Messages

It gives me great pleasure to write a message for new edition of college yearbook. I am so proud that Dasmesh Institute of Research and Dental Sciences, Faridkot is coming up with the eighth edition of The Year Book-Kaleidoscope 2018-19. As the years have passed I personally witnessed the overall growth of the DIRDS in infrastructure, patient care, community programmes, school dental health programmes and academic excellence. With time, my association with the institute has grown by leaps and bounds.

I convey my warm felicitations to the Management, Faculty, Staff and Students of this college.

I am sure it will be a source of inspiration for the budding poets and writers among the students and will direct their creativity to new dimensions. I hope that the compiled information would be very beneficial to all the students and faculty.

My Best wishes.

Kaleidoscope is designed to present to its readers the year's events that have gone by, the magazine also showcases the talents of our faculty members and students. With a sense of pride and satisfaction I would like to say that with the active support of the management, faculty and students, Kaleidoscope is coming with its 2019 edition.

With all the efforts and contributions put in by the students, I truly hope that the pages that follow will make some interesting reading.

On this occasion, I convey my good wishes to the Principal, Faculty and Students of the college in their endeavors.

I am happy to know that Dashmesh Institute of Dental Sciences is releasing its new edition of Year Book "Kaleidoscope" highlighting the curricular and extra curricular activities and achievements of students and faculty of Institute.

The Institute has been rendering excellent services in the field of Dental and Oral Health Care from last 25 years with excellent academic records there by winning many prizes at State and National level both in Under graduation & Post Graduation Conferences and competitions.

On this occasion I offer my best wishes and hope that the Institute shall grow from strength to strength in the all round growth and development of students and Faculty

I am extremely happy to convey my greetings and good wishes to all the students of DIRDS through this column. Year book is the best mode of recounting the achievements of past one year and bringing out the creative talent of the students. It is a matter of pride to learn that students of the institute have excelled in all spheres of life and efforts of the faculty are recognized at various platforms nationally.

I extend my warm greetings and best wishes for the success in your efforts to make this annual commitment in the form of year book.

Nurturing creativity and inspiring innovation are two of the key elements of a successful institution, and a college yearbook is the perfect amalgamation of both. I am gratified to know that the DIRDS is bringing out the issue of their Yearbook “Kaleidoscope 2019”. This is a productive literary material and subsidiary skill developing tool for the students of the institute.

I wish Dr. SPS Sodhi Grand success and also applaud the coordination and efforts of the editorial team to bring out this issue.

I wish them all the Success.

Good things remain good only because they are always scarce. I am glad to pen - Down for this wonderful magazine as an appreciation of the commendable efforts put forth by the team since its grand beginning. The efforts taken to bring about innovative content are appreciable.

Yearbook is meant for bringing out the hidden talent which bears immense potential of sharpening the communication skill of students as part of their overall personality development.

I wish the yearbook a grand success.

It is indeed a happy moment for our institute as the Faculty & Students are successfully bringing out yet another edition of the Yearbook “Kaleidoscope” for the year 2019. The most important aspect we could derive from this stupendous effort is that it brings out the various artistic and literary skills of the budding dentists.

I wish all the very best to all Students and Faculty of DIRDS and congratulate the Editorial Team.

Messages

It is a noble task on the part of institute to once again make it with their yearly issue “Kaleidoscope”. I wish that this yearbook establishes to be a flint to fire the enthusiasm and excite the minds for many intrusive innovations among the students and inspire passion among the members of the Faculty DIRDS. No doubt this creative endeavour will bring out an array of artistic and scientific expressions with distinct individual signatures

I take this opportunity to congratulate the editorial board for bringing out this yearbook as per schedule, which in itself is an achievement considering the effort and time required. May all our students soar high in uncharted skies and bring glory to the world and their profession with the wings of education!

From the desk of the Principal

It was quite inspiring to watch and witness the potential of our students unfolding at various stages situations in each day trying and testing times during the hectic academic schedule have elicited our students to put forth their best. The Management and Staff have been supportive of the various activities that were undertaken by the students in view of helping them reach the pinnacle of perfection and professionalism in whatever task they took on thus strengthening journey of achieving excellence. The college magazine exemplifies the voyage transverse and exhibits the literary and cultural skills of our students.

The students have been fostered to be humane professionals in every act and there is no doubt that the students will reach greater heights.

It gives me great pleasure to know that Kaleidoscope is ready for publication. True to its name this yearbook gives an insight into the range and scope of imagination and creativity of our students. Applaud the Editorial Team lead by Dr. Thippeswamy SH for the hard work and dedication they have invested in realizing this goal of year and wish my dear students success in all future endeavors

EDITORIAL TEAM

*If your world looks gloomy and you are feeling grin and glum,
Make a rainbow for yourself; don't wait for one to come,
Don't sit watching at the window for the clouds to part
There'll soon be a rainbow if you start one in your heart*

We are really proud and exuberant to acclaim that we are ready with all new hopes and hues to bring out the new issue of the yearbook, Kaleidoscope 2019, which will surely unfold the unravelled world of the most unforgettable and precious moments of the our college.

The enthusiastic write ups of our young writers are indubitably sufficient to hold the interest and admiration of the readers. This yearbook is indeed a pious attempt to make our budding talents give shape to their creativity and learn the art of being aware because I believe that our success depends upon our power to perceive, the power to observe and the power to explore.

We have put in relentless efforts to bring excellence to this treasure trove. Helen Keller rightly said that the world is moved along not only by the mighty shoves of its heroes, but also by the aggregate of the tiny pushes of each honest worker. This herculean task of editing this yearbook would not have been possible without the sincere support of the members of the Editorial Team who sorted out the articles from the flood of articles we had got from our enthusiastic and inquisitive young writers, edited them and finally made a fair draft of them.

We are really thankful to our respected Principal Sir for entrusting us with the responsibility. We take this opportunity to thank all the dignitaries for sparing their valuable time to send their best wishes for the magazine in the form of 'Messages'.

We heartily wish all the readers our best wishes and hope the Kaleidoscope 2019 will enjoy your critical acclaim.

Thank you...

OUR MISSION

To create perfect dental professionals to help our patients out of pain and into comfort.

To help our patients understand their condition & set them on a path to perfect health.

To ultimately help our patient's look and feel like they would on their best day, Ready to seize each moment with renewed confidence and a beautiful smile.

OUR VISION

To be a world class institution driven by professional ethics, academic excellence, quality and innovations.

To enhance current services , future growth and Development.

DEDICATED DIRDS FACULTY

HISTORY RECAPTURED

Origin of SANGAT SAHIB BHAI PHERU SIKH EDUCATIONAL SOCIETY goes back to the days before partition of India and Pakistan. In those days SANGAT SAHIB BHAI PHERU SIKH EDUCATIONAL SOCIETY was a committee which first came up with SANGAT SAHIB BHAI PHERU KHALSA SIKH HIGH SCHOOL in a village named Bhai Pheru of Tehsil Chunia of Distt. Lahore.

SANGAT SAHIB BHAI PHERU SIKH EDUCATIONAL SOCIETY, having successfully running Khalsa School, and Dasmesh Public School, Faridkot, the society extended its services by opening Dasmesh Public School, Kotkapura (Estd.1981) and Dasmesh Model School Bargari (1988). Currently, all these schools are permanently affiliated with CBSE Delhi and enjoy the reputation of running one of finest Public Schools in Northern India. Encouraged by the success of Public Schools, the Society entered into the Professional Educational sphere. This region of Malwa once had no dental College & Hospital to treat the Dental ailments which are one of the prevalent medical problems in this area.

Society established Dasmesh Institute of Research and Dental Sciences & Hospital in year 1992 in the memory of Great Saint Soldier, Scholar par excellence Guru Gobind Singh Ji, under the chairmanship of distinguished political leader, philanthropist, educationist and social worker, S.Karnail Singh Doad Ex. MLA, Faridkot, Government of Punjab, with a vision to facilitate quality Dental health care & education of global standards. In the year 2015, because of his health related issues, S.Karnail Singh Doad nominated S.Gurdev Singh Brar IAS (Retd), as new president of Sangat Sahib Bhai Pheru Sikh Educational Society and he himself was raised to the post of chief Patron unananimously by all the members. S. Kuldeep Singh Gill, Vice President was also raised to the post of Senior Vice President of the society. The contribution of S. Kuldeep Singh Gill is imacable. His vast life long experience as an educationist and an administrator is playing a great role in the growth and development of this institution. The society is indebted for his contributions since its inception at Faridkot.

Dr.Gursewak singh, Vice president, SANGAT SAHIB BHAI PHERU SIKH EDUCATIONAL SOCIETY & Director Dasmesh institute of research and dental sciences, has played a pivotal role in the start of Dasmesh Institute of Research and Dental Sciences. His vision towards the quality academics is exemplary and his guidance further made this institution attain the current global standards. Infact, all the members of the Executive wiz.-S. Jasbir Singh Sandhu, General Secretary; S. Amarjit Singh Doad, Joint Secretary; S.Swarnjit singh Gill, Treasurer and Joint Director & all other members are selflessly and dedicatedly contributing in the yeomen service rendered towards the cause of education.

Their vision have shaped DIRDS into a premier Dental College of Northern India. Dasmesh Institute of Research & Dental Sciences had its own quota of teething troubles; in its first few years, the growth of the institution was comparatively slow, but having got over them all; it got recognized from DENTAL COUNCIL OF INDIA for 60 BDS seats in the year 2000. Later, by the incessant efforts of the dedicated members of Sangat Sahib Bhai Pheru Sikh Educational Society, the institution got recognized from DENTAL COUNCIL OF INDIA to enhance its BDS seats from 60 to 100. Further, Over the years, Management and staff have worked tirelessly to upgrade it to the level of Post Graduate Dental College with MDS Course in the year 2008. Currently we are having 17 post graduate seats per year in 7 differents specialities. Currently all these seven Post graduate courses are recognized by DENTAL COUNCIL OF INDIA and the institution celebrated Its Silver Jubilee last year.

Determined hard work has made this college flourish into best private college and today it is one of the top most colleges of Punjab. From then on, progress of the college picked up the pace and now nestles in a state of art type magnificent four-storey, multi crore worth building that serves as a light-house amidst vast sea of dental-ailment prone five sandy districts of the region. Over two decade-long life, with the commitment, dedication & vision of eminent board members of Sangat Sahib Bhai Pheru Sikh Educational Society have shaped DIRDS into a premier Dental College of Northern India. Currently, this service oriented Institution has best academic, Dental training, co-curricular and sports environment as a result whereof its scholars have been winning laurels in all the fields of their evolvments like examinations, conferences & sports tournaments organized by the University and Dental Colleges located in & outside Punjab.

Founder Principal of this institution was Dr.(Late) Manohar Singh, a renowned Orthodontist of his time. He was a very devoted and dedicated person and was instrumental in getting various approvals from competent authorities. In spite of early hiccups in getting approval and recognition from the competent authorities, Dr. (Late) Manohar Singh's untiring efforts are commendable. He remained Principal till 30.09.2003 thereafter, he served for couple of months after superannuation as Director (Academics). Dr.P. B Sood, Dr. Ila Shah served the institution as principal after Dr.Manohar Singh. The contribution of Dr. Y.P. Kansal to serve as officiating Principal from time to time remained commendable. Later Dr.Malkiat Singh, the first-ever Oral Surgeon of Punjab, took over as Principal and he served for couple of years. On 08.06.2006, Dr.Neeru Singh renowned pedodontist, took charge as Principal. She took the keen initiative for starting the MDS course in three specialities; Oral & Maxillofacial surgery, Pedodontics & Preventive Dentistry and Conservative & Endodontics and a year later in two more subjects, Prosthodontics and Periodontics. She also took active role in upgrading the intake capacity of BDS Course from 60 -100 seats. On 25.04.2011 Dr.S.P.S. Sodhi a well known Oral & Maxillofacial Surgeon, Implantologist and former Executive member of Dental Council of India, New Delhi, took charge as Principal. In his tenure, which is still going on; institution has marched on a fast track. Under his gifted guidance and leadership in 2012, the MDS courses in three specialities Oral & Maxillofacial surgery, Pedodontics & Preventive Dentistry and Conservative & Endodontics got recognized and MDS courses in two more subjects Orthodontics and Oral medicine & Radiology got started. He was instrumental in getting the MDS recognized in all the seven specialities well in time and also getting the recognition for 100 seats in BDS Course. There is a marked improvement in the infrastructure viz. Addition of ultra modern, 550 capacity, with latest gadgets fitted, centrally A.C. auditorium; New Girls Hostel Mata Gujri, Bebe Nanki, Boys Hostel and residential complex; new Gymnasium and Sports Complex; has made the evening time of all the residents relaxing.

Over the years, our college has developed into a GROUP OF INSTITUTES as it has come up with training courses for B.Sc. & M.Sc (Nursing) in three specialities medical surgical nursing, obstetrics & gynaecological Nursing, Post Basic Nursing, & Paediatric Nursing. Later, GNM courses & ANM courses for nursing, Bachelors in Physiotherapy and Masters in Physiotherapy, Diploma in Dental Mechanics and Dental hygienists courses started within the campus. Another milestone was to start Dasmesh College of Pharmacy, which is being approved by All India Council of Technical Education, New Delhi and Punjab State Board of Technical and Industrial Training, Chandigarh. An Educational institute does not stand alone without its staff. Its well experienced, highly qualified and committed faculty makes this institute more unique. Presently, this group of highly motivated and hard working faculty is led by Dr. S.P.S. Sodhi, Principal and an eminent Oral & Maxillofacial Surgeon who has been consecutively awarded HealthCare Oscar Of India as the Most PROMISING DEAN OF THE YEAR by 'INDIAN HEALTH PROFESSIONAL AWARDS' (IHPA).

Dr.Harmesh Mital presented the Vote of Thanks; finally programme was concluded with a grand lunch followed by campus tour for all the fresh students.

Aim For Living

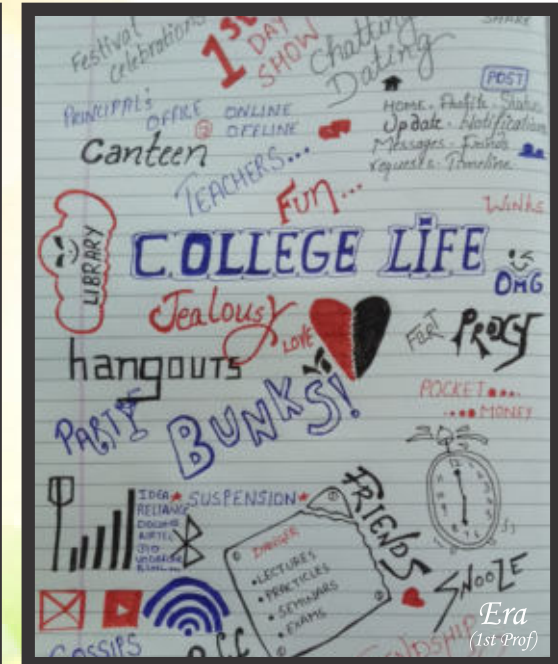

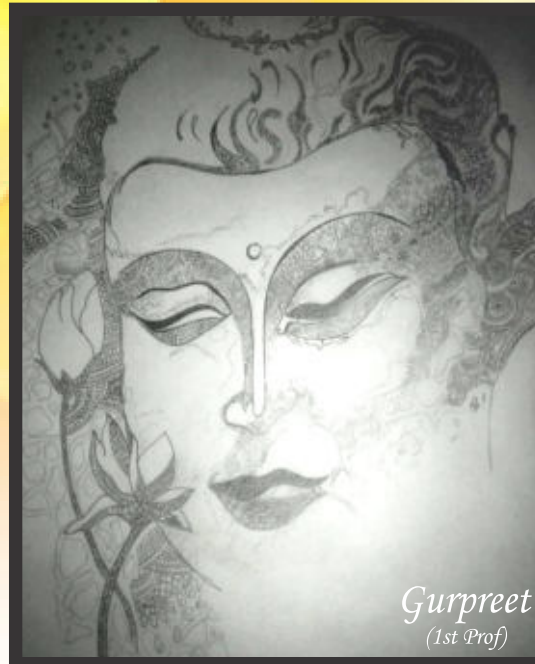

In this world as dry as desert as green as a lawn,
Thousand new faces are born everyday,
everyday thousands of flames are gone,
Some going forward while some travel in reverse,
Living as a momentary speck in a timeless universe,

In this world I set out on a quest, in which i have to strive,
To find out the truth, the real meaning of life,
I want to know the actual purpose of life, the purpose of giving,
'Because I was born', that shouldn't be my only reason for living

'you are born and then for better future you try,
Some choose hard work while others choose deceit and lie,
In my life, this cycle of ridiculous living I want to shatter,
I want to become someone, someone that would matter,

Someone on whose death the world would go still,
Someone who on death, would a leave a void never to be filled,
I want to be someone whose demise the world would resist,
I don't want to be another one,
who one day would simply cease to exist..

DRUG ABUSE CAMPAIGN - "PUT IT OUT, BEFORE IT PUTS YOU OUT."

A Campaign against TOBACCO and DRUG ABUSE was organised in the Captain Dr.Puran Singh Auditorium in association with Civil Hospital, Faridkot.

During this event, a slogan competition was held in which all the students participated with full enthusiasm. Folk play society team performed a very impressive and valuable skit on the awareness of drug abuse. Later, Awards were also given to the slogan competition winners.

Members of the management, Civil Surgeon & Team of Doctors from Civil hospital Faridkot, Principal Dr. SPS Sodhi, Faculty members attended the event and took an Oath against Tobacco and Drug Abuse.

*The
Side
You
Never
See*

Being a doctor has such a high toll,
You always have to play a double-faced role,
Forever charming and confident you have to be,
But beneath the visible exterior there's a side you never see,

You see doctors as greedy misers, waiting to be tipped,
You don't know, during studies like beasts they're whipped,
They travelled through hell, to reach where they are now,
Yet all you see is a greedy animal, wow!

Though smiling on the outside, we too cry with pain,
We realise through our patient's suffering there is no gain,
Bearing the cost of the treatment isn't possible for all we know,
Understand our predicament, we too die when we say no,

So next time you visit, please do remember,
Of the human race, we too our an empathetic member,
Remember beneath the charming exterior, we have to be,
There is always a side, you will never see...

"CADAVERIC OATH CEREMONY"

Department of Anatomy of DIRDS organised a cadaveric oath ceremony for 1st year BDS students. The occasion was graced by Principal Dr SPS Sodhi, Dr Anupma gupta and Mrs Vaishali. The ceremony began with welcome speech of Dr Anupma gupta in which she explained the importance of the oath, and then she administered the oath to the students. After that Principal Dr Sodhi highlighted about body donation and importance of cadavers. He also took promise from students that they will never disrespect the cadavers.

The Road....

The road you start is your path
The orchestration of your motion
Nourishes your notion
The Road you trek
Awards you your sparkle or wreck

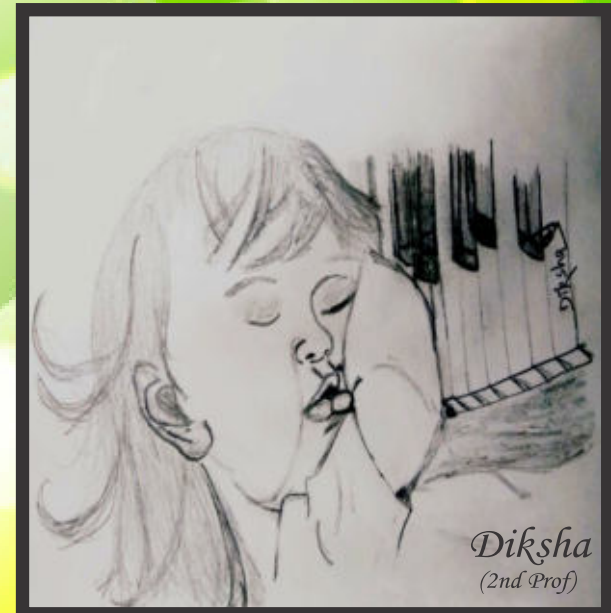

The ride you accomplish
Arrives you at peak
You urge to reach
You hope to cherish
Or either steers you to perish.....

Poem

Once who used to be a happy go lucky girl,
Whose eyes used to twinkle like a shining pearl,
What happened further, no one knows,
She had distanced herself from everyone close.
She still maintained a smile for people around,
But in reality, into darkness she had drowned.
Everyone questioned her sudden academic downfall,
She had become a topic of gossip for all.
No one asked her if she was fine,
Where was that everlasting shine?
Every moment was a new life test,
Controversies didn't let her mind rest.
Without giving up, she held her head high,
Moved towards her aim without a sigh.
Shutting everyone's mouth, she emerged out victorious,
All who pulled her down, realized, she was glorious.

Dr. Preetika Bansal, Professor of Department of Periodontics, DIRDS , Faridkot presented a lecture on Perio-Esthetics . The lecture was attended by the Principal, all the faculty members, PG students and interns. The lecture was very enlightening and useful for the students

SHAYARI

Wo aaya to tha meri life me
ek NEONATAL TOOTH ki tarah...

Phir wo meri zaroorat ban gya
UPPER AND LOWER MOLARS
ki tarah...

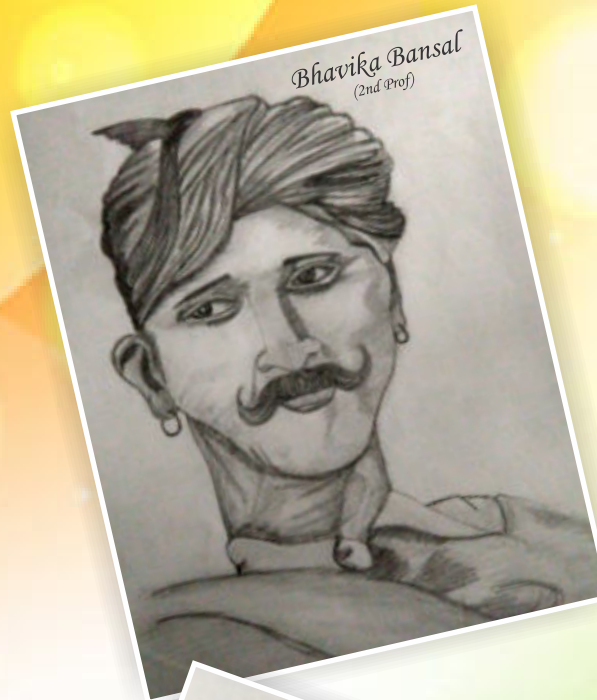

Jaane kya hua k na chahte hue b
wo mujhe chhod gye ek
GRADE 3 MOBILE PERIODONTALLY
COMPROMISED TOOTH ki tarah...

Maine b usko is dil se nikaal to diya
ek TRAUMATIC PAINFUL SURGICAL
EXTRACTION se kisi tarah...

par jaate jaate b wo zakhm de gye ek
DRY SOCKET ki tarah...

ab to intezar h koi ayega aur apne pyar
ke ZOE ki dressing lgayega aur
apni ankho ki pyari b

YASMEEN (3RD PROF)

MIRRORS

Drowning in the selfmade rivera
Choked in the pool of my own tears
Swallowed by pain monsters
Why do they gbarl at my soul?
With teeth so sharp
I am ripped limb from limb.
I scream , but my face is still
Why wont it stop?
I have long forgotten her
That girl i used to be
I am embroidered
As i recite stories of her past.
Strong as an ox
A back that dare not break.
Like nursery rhymes
I stand quiet
For a look in the mirror in shame
On the run from my reflection.
Playing hide and seek with my own shadow
She is not me
And I no longer her.
She screams from within.
Only wishing to wake me up.
But she is lost.
In the warm of pain's labyrinth
As tears cloak my face
Washing her further into
Memory's abyss
Now only to be long forgotteble.

CPC PROGRAMME BY PUBLIC HEALTH DENTISTRY DEPARTMENT

As a part of continuing dental education, a CPC programme was also organized by Dr.Prahlad Gupta, HOD of department Public health dentistry on Infection Control . All the Interns, Post graduate students and Faculty attended the lecture. It was well appreciated by everyone.

JOURNEY TO BECOMING A DENTIST WAS NEVER EASY...

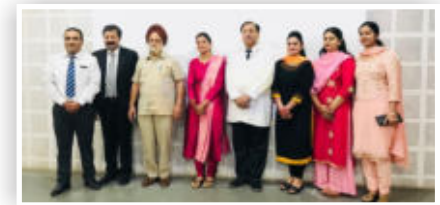

That first entry into the cadavar lab with the breath taking fragrance of formalin...
That first time pricking yourself to get a drop of your own blood to make a smear...
Unfortunate tasting of chemicals through pippetes...
Those broken hearts with the broken roots of your very first carved molar...
Those plaster coated hands to make your very first one inch cube which was gonna be rejected anyways...
The excitement of digging ur very first cavity with a airotar which god only had to control In ur hands....
Your very first polished and carved teethset approval...
When you finally started identifying bacterias and viruses which u had oly heard abt...
When u really stared corelating small sickness as equal as a malignancy...
When u gave ur mouth to ur friend for d first impression
When u tried to see d blue dots in the pink slide
When u cud see your own teeth in the xray...
When u had no other choice than to convince urself to take up ur very first case with all the courage but still mess it up...
That first extraction of urs which made u feel lik a boss.
And you finally decide that yesss you're there and yes atleast you became a dentist....

MAA...

Maa hasati bhi hai aur rulati bhi...
Kamzor bhi bnati hai aur duniya se Idna bhi sikhati hai..
Apne bacho k liye duniya se Idjati hai par
unse he haar maan jati hai...
Waqt k saath chalna bhi sikhati hai...
Vohi hai ji mnati hai aur khana bhi khilati hai...
Vohi hai jo apni beti ko shadi k din
pyaar se sajati hai aur uske jatte he ankho mein
baad le aati... Bs maa he hai jo apne
bache ko burre waqt mein
galle se lgati hai... bs vohi hai..

Navkiran Kaur

Lefties

11% world's population
Highest Rates of lefties in Northern America,
Australia, New Zealand and Western Europe.
Lowest rates of lefties in Asia, Africa,
South America (4-6%) Women less likely to be left handed.
13 August is celebrated as left handed's Day.
Better 3D perception and thinking.
Good at Sports like Tennis, Swimming, Boxing and baseball.
Right hand is mentioned positively 100% in bible
but left hand is mentioned 25% all negative.
In Islamic countries people are forbidden to eat
with left hand as it is considered unclean.
In medical europe, lefties are routinely accused
of consorting with devil.
In Buddhism left hand represents wisdom.

Shayri

Hamara dil hai aapke
saamne ek khuli kitab ki trah
Jo Kush bhi dikhe aapko andar...
dikhega bilkul aap ki tarah
Agar rahe zinda to panno se jyada
saath nibhayenge hum dono...
Nahi to mllenge usme kabhi
sookhe huye gulab ki trah

GLIMPSES OF COMMUNITY CAMPS-2018-19

COMMUNITY CAMPS-2018

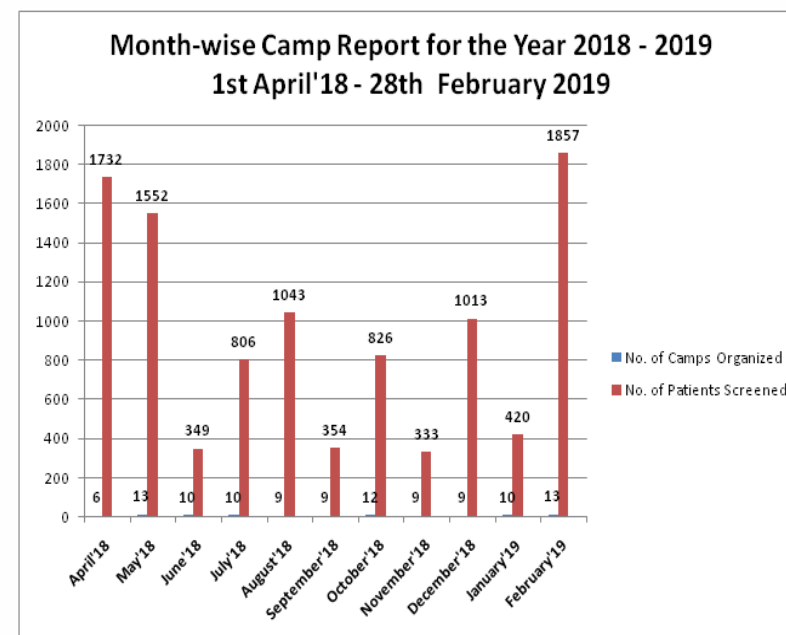

Public Health Dentistry Department of the institution focuses on the science and art of preventing and controlling dental diseases, and promoting dental health through organized community efforts. Our faculty and staff are responsible for the planning and execution of community based extra mural experiences (both clinical and non clinical) and public health course work of the dental students. We work with a mission to eliminate disparities in health status and access to health care services, promote optimum oral health and prevent disease through research, training and preventive and curative services.

Department is fully equipped with ultramodern dental chairs and most sophisticated gadgets to increase awareness about dental health in general population and is presently being utilized for individual patient counselling and tobacco cessation program. Department is actively involved in dental camps and awareness programs specifically targeting rural population and school going children and has acquired 1 state of art air-conditioned mobile dental vans equipped with most updated instruments and gadgets. Our mobile dental unit (MDU) also helps in this endeavour of providing oral health care to the underserved in the rural areas.
