

KALEIDOSCOPE

THE YEAR BOOK
2020-21

**DASMESH INSTITUTE OF RESEARCH
& DENTAL SCIENCES
FARIDKOT**

DEDICATED DIRDS FACULTY

From the desk of Principal

Prof. (Dr.) S. P. S. Sodhi

Principal

Dasmesh Institute of Research & Dental Sciences,
Faridkot

It gives me immense pleasure to bring out the annual issue of "Kaleidoscope – 2021". True to its name, this yearbook gives an insight into the range and scope of imagination and creativity of our students. Along with that; it provides a Kaleidoscopic image of splendid academic activities, achievements in Academics and other social causes.

This year 2020-21 was full of mixed reactions. Pandemic Covid – 19 has shaken the world badly; but it has also made us to fight various challenges of life and understand the Mother Nature in a better way. It has taught us many newer aspects of life which we had forgotten. We, at Dasmesh, started e-learning online classes as per time-table from 23rd March, 2020 onwards and organized webinars by inviting Guest Speakers across the country. The protocol and Guidelines given by the Health Authorities was followed in letter and spirit and our Institute started serving the patients immediately after the lockdown was over. Our Institute is one of the sample collecting centres for all types of corona tests and now for vaccination too. This facility helped us in our fight against covid in our campus.

I am proud of my management, faculty, staff and all of the students for their unflinching support and help for the growth and development of the institution, and who have been supportive of various activities that were undertaken; thus strengthening the journey of achieving excellence.

This Kaleidoscope is the result of the hardwork and dedication put in by the Editorial team led by Dr Thippeswamy SH as a "Team Work." Team doesn't mean walking together, but working and trusting together.

Success comes to those who work hard and stays with those, who don't rest on the laurels of the past.

To create perfect dental professionals to help our patients out of pain and into comfort.

To help our patients understand their condition & set them on a path to perfect health.

To ultimately help our patient's look, and feel like they would on their best day, Ready to seize each moment with renewed confidence and a beautiful smile.

OUR MISSION

To be a world class institution driven by professional ethics, academic excellence, quality and innovations.

To enhance current services , future growth and Development.

OUR VISION

Message

It's heartening to know that Dasmesh Institute of Research and Dental Sciences, Faridkot is coming out with its Annual year Book. Magazines like this are the most important medium to give an outlet to the enormous creativity of the students.

I have witnessed the overall growth of the institute by leaps and bounds over last few years under the leadership of Dr. S.P.S. Sodhi and support by the Management. It has become one of the top ranking institute for imparting quality dental education in North India. I must say that this had not been possible without the committed support of the Faculty.

I would like to congratulate the Editorial team for their dedication and effort which has translated into this year's Magazine.

I wish the Year Book a great success.

Message

It gives me an immense sense of happiness to know that DIRDS Faridkot is coming up with yet new edition of the YEAR BOOK KALEIDOSCOPE. The initiative taken by the institute's Editorial team is commendable. For the new session, I look forward to incorporating meaningful and modern literary amalgamations rendered by extremely talented students.

I pray for future growth and prosperity of the college and with the Management, staff and students all the success in years to come.
I wish the YEAR BOOK a great success.

Message

Warm Greetings

Kaleidoscope is designed to present to its readers the year's events that have gone by; the magazine also showcases the talents of faculty members and students. It is the blend of Curricular and extra- curricular activities which carve out a niche for an institution.

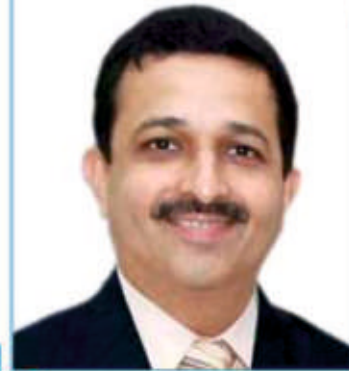

I extend my heartiest congratulations to Dr. S.P.S Sodhi, Principal, Dasmesh Institute of Research and Dental Sciences, Faridkot, Punjab and the Editorial Team for their great Endeavors in bringing out this publication.

Wishing your Year Book a great success.

EDITORIAL TEAM

Editorial board is glad to release the current issue Kaleidoscope - The year book 2020-21. The magazine provides a perfect platform to highlight the professional, scientific, literary and artistic segments of the DIRDS family. The contribution and dedication of all faculty members and students of DIRDS is continuously helping the magazine in stepwise manner for achieving new milestone. The purpose of this college magazine is to reveal the annual activity of the institution amalgamated with showcasing the hidden potential of the students.

I want to extend my sincere thanks to my editorial team for the support to make this magazine stand out. The editorial board welcomes the comments and suggestions to improve the quality of magazine but cannot make assurances about the use of provided material. I express my considerable appreciation to all the contributors of this magazine. These contributions have required a generous amount of time and effort. It is this willingness to share knowledge, concerns and special insights with fellow beings that has made this magazine possible. I am pleased to say that the management & Principal is excellent & do not hesitate to put in their best in all college activities & up-gradation.

I would like to thank students, teaching & non-teaching staff for your kind & continued support in the progress of this Institution. May Almighty God shower his choicest blessings upon all.

'Be true to yourself, help others, and make each day your masterpiece'

HISTORY RECAPTURED

Origin of SANGAT SAHIB BHAI PHERU SIKH EDUCATIONAL SOCIETY goes back to the days before partition of India and Pakistan. In those days SANGAT SAHIB BHAI PHERU SIKH EDUCATIONAL SOCIETY was a committee which first came up with SANGAT SAHIB BHAI PHERU KHALSA SIKH HIGH SCHOOL in a village named Bhai Pheru of Tehsil Chunia of Distt. Lahore.

SANGAT SAHIB BHAI PHERU SIKH EDUCATIONAL SOCIETY, having successfully running Khalsa School, and Dasmesh Public School, Faridkot, the society extended its services by opening Dasmesh Public School, Kotkapura (Estd.1981) and Dasmesh Model School Bargari (1988). Currently, all these schools are permanently affiliated with CBSE Delhi and enjoy the reputation of running one of finest Public Schools in Northern India. Encouraged by the success of Public Schools, the Society entered into the Professional Educational sphere. This region of Malwa once had no dental College & Hospital to treat the Dental ailments which are one of the prevalent medical problems in this area.

Society established Dasmesh Institute of Research and Dental Sciences & Hospital in year 1992 in the memory of Great Saint Soldier, Scholar par excellence Guru Gobind Singh Ji, under the chairmanship of distinguished political leader, philanthropist, educationist and social worker, S.Karnail Singh Doad Ex. MLA, Faridkot, Government of Punjab, with a vision to facilitate quality Dental health care & education of global standards. In the year 2015, because of his health related issues, S.Karnail Singh Doad nominated S.Gurdev Singh Brar IAS (Retd), as new president of Sangat Sahib Bhai Pheru Sikh Educational Society and he himself was raised to the post of chief Patron unanimously by all the members. S. Kuldip Singh Gill, Vice President was also raised to the post of Senior Vice President of the society. The contribution of S. Kuldip Singh Gill is imacable. His vast life long experience as an educationist and an administrator is playing a great role in the growth and development of this institution. The society is indebted for his contributions since its inception at Faridkot.

Dr.Gursevak Singh, Vice president, SANGAT SAHIB BHAI PHERU SIKH EDUCATIONAL SOCIETY & Director Dasmesh institute of research and dental sciences, has played a pivotal role in the starting of Dasmesh Institute of Research and Dental Sciences. His vision towards the quality academics is exemplary and his guidance further made this institution attain the current global standards. Infact, all the members of the Executive wiz.-S. Jasbir Singh Sandhu, General Secretary; S. Amarjit Singh Doad, Joint Secretary; S. Swarnjit Singh Gill, Treasurer and Joint Director & all other members are selflessly and dedicatedly contributing in the yeomen service rendered towards the cause of education.

Their vision has shaped DIRDS into a premier Dental College of Northern India. Dasmesh Institute of Research & Dental Sciences had its own quota of teething troubles; in its first few years, the growth of the institution was comparatively slow, but having got over them all; it got recognized from DENTAL COUNCIL OF INDIA for 60 BDS seats in the year 2000. Later, by the incessant efforts of the dedicated members of Sangat Sahib Bhai Pheru Sikh Educational Society, the institution got recognized from DENTAL COUNCIL OF INDIA to enhance its BDS seats from 60 to 100. Further, Over the years, Management and staff have worked tirelessly to upgrade it to the level of Post Graduate Dental College with MDS Course in the year 2008. Currently we are having 18 post graduate seats per year in 7 different specialities. Currently all these seven Post graduate courses are recognized by DENTAL COUNCIL OF INDIA and the institution celebrated Its Silver Jubilee last year.

Determined hard work has made this college flourish into best private college and today it is one of the top most colleges of Punjab. From then on, progress of the college picked up the pace and now nestles in a state of art type magnificent four-storey, multi crore worth building that serves as a light-house amidst vast sea of dental-ailment prone five sandy districts of the region.

Over two decade-long life, with the commitment, dedication & vision of eminent board members of Sangat Sahib Bhai Pheru Sikh Educational Society have shaped DIRDS into a premier Dental College of Northern India. Currently, this service oriented Institution has best academic, Dental training, co-curricular and sports environment as a result whereof its scholars have been winning laurels in all the fields of their involvements like examinations, conferences & sports tournaments organized by the University and Dental Colleges located in & outside Punjab. Founder Principal of this institution was Dr.(Late) Manohar Singh, a renowned Orthodontist of his time. He was a very devoted and dedicated person and was instrumental in getting various approvals from competent authorities. In spite of early hiccups in getting approval and recognition from the competent authorities, Dr. (Late) Manohar Singh's untiring efforts are commendable. He remained Principal till 30.09.2003 thereafter, he served for couple of months after superannuation as Director (Academics). Dr.P. B Sood, Dr. Ila Shah served the institution as principal after Dr.Manohar Singh. The contribution of Dr. Y.P. Kansal to serve as officiating Principal from time to time remained commendable. Later Dr.Malkiat Singh, the first-ever Oral Surgeon of Punjab, took over as Principal and he served for couple of years. On 08.06.2006, Dr.Neeru Singh renowned pedodontist, took charge as Principal. She took the keen initiative for starting the MDS course in three specialities; Oral & Maxillofacial surgery, Pedodontics & Preventive Dentistry and Conservative & Endodontics and a year later in two more subjects, Prosthodontics and Periodontics. She also took active role in upgrading the intake capacity of BDS Course from 60 -100 seats. On 25.04.2011 Dr.S.P.S. Sodhi a well known Oral & Maxillofacial Surgeon, Implantologist and former Executive member of Dental Council of India, New Delhi, took charge as Principal. In his tenure, which is still going on; institution has marched on a fast track. Under his gifted guidance and leadership in 2012, the MDS

courses in three specialities Oral & Maxillofacial surgery, Pedodontics & Preventive Dentistry and Conservative & Endodontics got recognized and MDS courses in two more subjects Orthodontics and Oral medicine & Radiology got started. He was instrumental in getting the MDS recognized in all the seven specialities well in time and also getting the recognition for 100 seats in BDS Course. There is a marked improvement in the infrastructure viz. Addition of ultra modern, 550 capacity, with latest gadgets fitted, centrally A.C. auditorium; New Girls Hostel Mata Gujri, Bebe Nanki, Boys Hostel and residential complex; new Gymnasium and Sports Complex; has made the evening time of all the residents relaxing.

Over the years, our college has developed into a GROUP OF INSTITUTES as it has come up with training courses for B.Sc. & M.Sc (Nursing) in three specialities medical surgical nursing, obstetrics & gynaecological Nursing, Post Basic Nursing, & Paediatric Nursing. Later, GNM courses & ANM courses for nursing, Bachelors in Physiotherapy and Masters in Physiotherapy, Diploma in Dental Mechanics and Dental hygienists courses started within the campus. Another milestone was to start Dasmesh College of Pharmacy, which is being approved by All India Council of Technical Education, New Delhi and Punjab State Board of Technical and Industrial Training, Chandigarh. An Educational institute does not stand alone without its staff. Its well experienced, highly qualified and committed faculty makes this institute more unique. Presently, this group of highly motivated and hard working faculty is led by Dr. S.P.S. Sodhi, Principal and an eminent Oral & Maxillofacial Surgeon who has been consecutively awarded HealthCare Oscar Of India as the Most PROMISING DEAN OF THE YEAR by 'INDIAN HEALTH PROFESSIONAL AWARDS' (IHPA).

POST LOCKDOWN- REOPENING OF THE INSTITUTE

PROFESSIONAL ETHICS DEVELOPMENTAL PROGRAMMES

After the nationwide lockdown due to COVID 19 pandemic, both state and central government norms slowly began to unlock most of the activities, DIRDS was quick to adopt these regulation and first private dental institution of the state to reopen the hospital section on 10th May 2020. During this time institution and all employees are instructed to follow government regulation very strictly. Institution installed all kinds of precautionary banners at most places by displaying COVID 19 norms and instructions along with foot operated sanitisation areas and thermal screening for all who visits the hospital. Regular sanitization of the working station, providing all necessary personal protective equipments for both patients and doctors, and maintaining infection control protocol to the highest standard. Protecting health workers who risk their lives for patient care was and has been one of DIRDS biggest priority. The pandemic caused acute shortage of essential supplies. In responding to the prevailing situation, institute procured all essential supplies including PPE kits, N95 masks, face shields, hand sanitizer, automatic hand sanitizer dispensers etc., and thus served the community during this crucial period

CHANGING THE LEARNING – e teaching and learning

Even during the Pandemic COVID 19 situation, Institution was quick to adopt newer available teaching modalities and started using the online teaching method using ZOOM, Google Meet, Google Class room and various other online learning platform like Admission 24 from the very next week after the announcement of nationwide lockdown. During these long session of lockdown period, institution does maintained the multidisciplinary integrated learning approach by organizing webinar series. These were also hosted by inviting renowned speakers from different speciality. Also institutional CPC programmes and Faculty meetings were also encouraged through this online teaching platform. Committed to quality dental education, DIRDS provided technical support and virtual training to undergraduate as well as post graduate students throughout the Lockdown period. Online teaching continued till students joined back and offline teaching resumed. All sent up examination during the challenging times of pandemic were conducted online.

JOURNEY TO DESTINATION –ORIENTATION DAY

Orientation day for the newly admitted under graduate students of BDS was held at Capt.(Dr).Puran Singh Auditorium on 18 th January 2021 and the dignitaries present on the occasion were our worthy Director Dr.Gursevak Singh as the chief guest and Joint Director S.Swarnjit Singh Gill as the guest of honour for the event. The event was hosted by Dr.Gursimrat Brar. Newly Joined students and the parents were formally welcomed and introduced to the culture of the college campus by our Principal Dr. SPS. Sodhi, Dr. Gursevak Singh, Director and S. Swarnjit Singh Gill, Joint Director congratulated all newly joined students and encouraged about the course along with academic insights of the course. Program was concluded with the grand lunch followed by campus tour for all the fresh students.

Congrats! On your first white coat

Every Superhero needs a Supersuit. DIRDS congratulated each new face on arriving at this milestone in their career. As each of them walked across the stage to receive their white coat their journey in dentistry began. The symbol of our profession:- White Coat Ceremony in the presence of Board of Management, Faculty Members & Friends, was held on 06.03.2021 at Capt. Dr. Puran Singh Auditorium following which they stood to recite the Hippocratic Oath. This ceremony impressed upon them the primacy of the doctor-patient relationship. It also encouraged them to accept the obligations inherent in the practice of dentistry; to be excellent in science, compassionate, and lead lives of uprightness and honour.

S. Kuldip Singh Gill, Sr. Vice President SSBPSES was the Chief Guest for this occasion. Dr. Gursevak Singh, Director DIRDS and S. Swarnjit Singh Gill, Joint Director DIRDS are the Guest of Honour. Principal, Dr. S.P.S Sodhi, delivered welcome address to the fresher's on this occasion. Dr. Tarun Kumar, Professor, Conservative & Endodontics, presented the Hippocratic Oath to all new students. All the Faculty Members and Interns were present during the occasion.

DENGUE PREVENTION PROGRAMME

Institution regularly organizes programmes oriented on emerging demographic issues. Every year institution organizes dengue prevention programme and actively engages dengue preventive protocols inside the campus and contributes in controlling the spread of the disease. This year institution organized dengue prevention programme from 15th July to 31st July. Banners were displayed in the campus along with pamphlet are distributed among community regarding preventive measures for Dengue and fogging of the entire campus was performed.

GUIDEBOOK OF COVID – 19 PANDEMIC MANUAL AND PROTOCOL

A Year without Precedent. It was the scenario the public health community feared for decades. A dangerous virus emerges and spreads rapidly around the world. On Jan 30, 2020 WHO Director General Dr. Tedros Adhanom Ghebreyesus declared the COVID-19 outbreak a Public Health Emergency of International Concern. The declaration is WHO's highest level of alarm- a rallying call to all countries to immediately take notice and take action.

Within first month of learning of this new disease, DIRDS published it's comprehensive manual under the mentorship of Dr. S.P.S. Sodhi, Principal. Dr. Ramandeep Singh Punia, Professor OMR and Dr. Gursimrat Kaur, Assoc. Professor OMFS also contributed in drafting the guidelines. Based on available information by various national and international agencies including DCI, Ministry of Health, CDC, WHO – the manual heralded a new model of patient management by enabling all departments to coordinate actions and resources together in real time.

"No matter how much falls on us, we keep plowing ahead. That's the only way to keep the roads clear"

QUARANTINING THE COVID 19 - A Proficient Pedagogue

During the nationwide lockdown DIRDS made serious efforts to raise the awareness about COVID 19. To raise the awareness among healthcare workers institution hosted a webinar on 10th May 2020 regarding Dentistry post COVID-19. Dr. S.P.S. Sodhi, Principal, Prof. and Head of Department of Oral and Maxillofacial Surgery was the speaker on this event and more than 500 participants were present on this scientific programme.

Dr. SPS. Sodhi as a Guest Speaker

IDA North- West in association with Care stream Dental conducted an online webinar on Preparing to reopen your practice!! Are we ready for Dentistry ? on 15th May 2020 in which Dr. SPS. Sodhi was invited as a Guest Speaker along with Dr. Manoj Goyal, Dr. G.K. Gupta and Dr. Ajay Sharma. All the Faculty members, interns, post graduates and IDA members all over the nation participated in this webinar.

VACCINATION FOR COVID 19

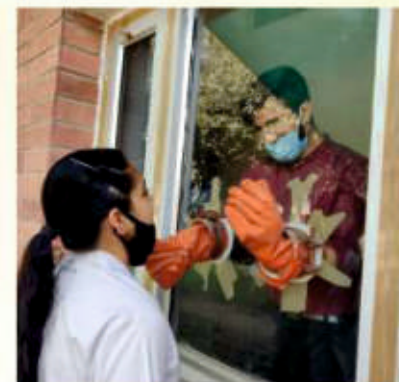

Overcoming the challenges to ensure COVID-19 release its grip on our lives in 2021, DIRDS set the bar for success and vaccination centre was established in 21st January 2021 for providing vaccination to all Faculty members, staff and students of DIRDS family.

NEED OF THE HOUR

Sample Collection And Testing COVID-19 Samples

Institute worked hard to keep essential dental health services running during challenging COVID-19 pandemic period and the need of the hour was to establishing COVID-19 sample collection and testing centers. During this period institution also released a COVID-19 Protocol manual for the proper execution of the guidelines and on 14th June 2020 established a Memorandum of Understanding (MOU) with District Health Authorities for setting up sample collection centre for RT-PCR and established the use of rapid antigen tests in Dasmesh Hospital.

APPRECIATION FOR GOODNESS A Salute to COVID Warriors

DIRDS always stood first in appreciating the goodness, this time it was for the people who faced all the challenges during COVID-19 with strength, determination and confidence, all the health care workers who involved in collection and testing of COVID-19 samples from the department of Microbiology, GGS Medical College, Faridkot. Institution along with all NGO's of Faridkot organized an felicitation event- A salute to COVID Warriors on 30th June 2020 at GGS medical college auditorium. Honorable Vice Chancellor of BFUHS Prof.(Dr.) Raj Bahadur was the Chief Guest for the occasion. Dr. Gursevak Singh, Director DIRDS was present as Guest of Honour. Our respected Principal Dr. S.P.S. Sodhi presented the welcome address and Dr. Gursimrat Kaur Brar, Associate Professor, Dept of Oral & Maxillofacial Surgery performed the role of master of ceremony. Mrs. Alka, Lab. Technician in Microbiology department of DIRDS was also felicitated during this event.

Activity Diary

COVID 19 VACCINE AWARENESS PROGRAMME

RIGHT TO HEALTH AND EMERGING
DEMOGRAPHIC ISSUES
PROGRAMME

DIRDS organized an event to raise the awareness among students, employs and faculty. This event was programmed and executed by the ministry of health & family welfare along with Ministry of Information & Broadcasting, Government of India. During this event importance of vaccination was well explained by our Joint Director S.Swarnit Singh Gill, Principal, SPS Sodhi and Dr, Tarun Kumar. Executives of the information and broadcasting ministry also addressed the students about the benefits of COVID 19 vaccination. Awareness slogans followed by Nukkad Natak was performed during this occasion.

Solid waste management installation of COMPOST MACHINE

ENVIRONMENT
& SUSTAINABILITY
PROGRAMME

To keep the campus ecofriendly DIRDS initiated meticulous solid waste management by installing compost machine "Suraj Techno Alliance" of the capacity 100kg on 19th February 2020. Using this machine solid waste 70-75 kg is converted to 50k compost/24hrs and used in the gardens. Most of the waste produced in canteen, hostel mess and residential kitchen etc., are converted to compost by using this machine. Compost is made by decomposing organic materials into simpler organic and inorganic compounds in a process called composting. This process recycles various organic materials otherwise regarded as waste products.

EQUIPMENT HISTORY SHEET	
1. Name of the equipment	Compost Machine
2. Model	100 Kg Capacity

WHY GO DIGITAL IN DENTISTRY?

HERE'S WHAT YOU LEARN
Digital dentistry or 3D printing allows us to evaluate and fabricate all the details involved in an implant case. It starts with combining intra-oral or model scans with CT Dicom data and virtual prosthetic restorations. The guide is a service to bring the virtual plan to the real mouth, for all levels of experience.

GLIMPSES OF DENTAL CAMPS

Pandemic COVID-19 Period was really challenging for any academic institution as it was the time when connecting students and teachers was possible only by means of digital platform. Considering the need of the situation, DIRDS took the initiative to train all faculty members in the field of E-learning, to make our faculty completely efficient to reach our students by means of all available virtual learning platforms.

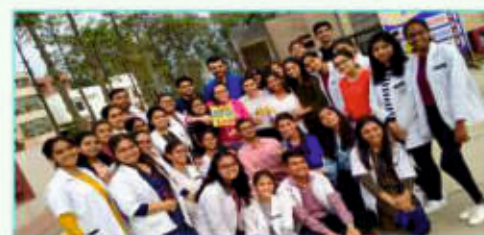

MEU INDIA aims at connecting the teachers and students on a digital platform for the purpose of education and learning, Implementing the concepts of Tele- education and Tele-medicine. So in order to fill up the gaps in knowledge scenario of the health system, Institute organized an online course for dental faculty members of college from MEU INDIA. The course was conducted completely Online using the GOTO Webinar, Zoom and Google meet technology. About 35 lectures were held over a period of 4 months.

ALUMINI MEET-2020

A magnificent congregation was held on 5th March 2020 at Capt (Dr.) Puran Singh Auditorium, DIRDS, Faridkot where the young talent of the institute were appreciated for their outstanding efforts in the academic year 2019-20. After the convocation and Academic award ceremony in the morning post lunch session was filled with fun , games and masti. Post lunch all alumni, faculty and students enjoyed their time by involving fun games, photo booths, activities, food stations and many more at the stalls set by all professional years.

Same day cultural extravaganza was presented by the students and alumni of DIRDS in the evening. Dr. Raj Bahadur, Vice Chancellor, BFUHS was the Chief Guest for this event. All the members of Governing Council of Sangat Sahib Bhai Pheru Sikh Education Society, Principal & Faculty members of DIRDS were present during this event. This cultural event included rocking performances by students, alumni and concluded with awesome performances by the faculty members followed by Gala Dinner.

GLOWING BONFIRE

ਈਸ਼ਰ ਆ ਦਲਿੱਦਰ ਜਾ, ਦਲਿੱਦਰ ਦੀ ਜੜ੍ਹ ਚੁੱਲ੍ਹੇ ਪਾ।

This year the festival of LOHRI was celebrated on 13 th January 2021 in the college campus. Lohri festival signals the end of winters and also marks the culmination of the coldest night of the year and is also a way of welcoming longer, sunnier days and the sun's northward journey to the hemisphere, which is also referred to as Uttarayan. This year at DIRDS we celebrated by lightening of a bonfire, which is considered as an ancient tradition. Students performed few cultural performances followed by DJ to spread the message of happiness and peace of Lohri all around. Dr. Gursevak Singh, our worthy director, Dr. Gulbir Kaur, renowned Gynaecologist of Faridkot, Dr. S.P.S. Sodhi, Principal, Faculty members and students were present.

CONGRATULATIONS TO S.GURDEV SINGH BRAR

Satisfied & Proud moment for all DIRDIANS, as our worthy president S.Gurdev Singh Brar (I.A.S Retd) was invited as guest speaker by law society, Faculty of Law college, Aligarh Muslim University on the occasion of International Virtual conference on Sir SYED VISION & MISION on 10th October 2020. Heartiest Congratulations to our president sir for this prestigious honour.

S.GURDEV SINGH BRAR as TOP 101 Punjabis across the Globe

Jagat Punjabi Sabha acknowledged and honoured top 101 Punjabis across the globe who have contributed to promoting Punjabi literature in the world and who have contributed in philanthropy and human service for the society. Jagat Punjabi Sabha under the patronage of Prof. (Dr.) S.S. Gill, Former Vice Chancellor of BPUHS, organized an impressive felicitating event on 20th Feb 2021 at Khalsa College, Patiala. S.Gurdev Singh Brar IAS(Retd.) President of the SSBPSES management was the guest of honour during this function and he was also one among the top 101 Punjabis who were honoured with this prestigious recognition. Dr. A.S. Marwaha and S. Sant Singh Chhatwal were also honoured on this occasion. Their contribution in helping our institution is already in abundance since years and their awards were received by Dr. Gursevak Singh, Director DIRDS and Dr. S.P.S. Sodhi, Principal DIRDS.

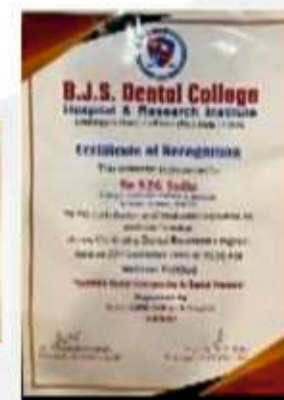

REALIZZAZIONE – Dr. SPS Sodhi

- On the occasion annual academic ceremony of the DIRDS on 5th March 2020, board of governors of DIRDS awarded Dr. S.P.S. Sodhi , Principal, professor and Head of department of Oral and Maxillofacial Surgery as Best Principal and most inspiring teacher award 2020.
- Another proud moment for all DIRDIANS, as our beloved Principal Dr.S.P.S. Sodhi was nominated as chairman of Board of studies, Baba Farid University of Health Sciences, Faridkot.
- Considering the dedication, commitment and contribution towards the society during the pandemic COVID-19 period NGO Ek Koshish honoured DR. S.P.S. Sodhi COVID -19 healthcare Warrior . We are proud of you sir.

Dr. SPS Sodhi as Guest Speaker

- A proud moment for DIRDIANS as our beloved Principal Dr. S.P.S. Sodhi, Invited as Guest Speaker for Webinar on Medical Emergencies, organized by BJS Dental College, Ludhiana on 23rd December, 2020. More than 500 delegates registered and participated for this webinar.
- Yet another proud glory for DIRDIANS as our respected Principal Dr. S.P.S. Sodhi, was Invited as a Guest Speaker for a panel discussion during the AOMSI Virtual Master class-2021 held on 16th march 2021.

SELFLESS ACT TOWARDS HUMANITY – SALUTATIONS !!

Dr. Anupma Gupta, Professor & Head, Department of Human Anatomy, was honoured with Bhai Ghanaiya award along with Dr. Harkanwal Preet Singh, Associate Professor, Department of Oral Pathology. It was a glorious day in the history of DIRDS as two of our faculties were honoured by Bhai Ghanaiya award by Bhai Ghanaiya Cancer Roko Sewa Society.

Prof. Dr. Anupma Gupta who saved the life of two people involved in a roadside accident even at the cost of her own life on a foggy morning on 10th Dec 2019. While she was rescuing the accident victims she was run over by a truck. She lost both her legs while performing this selfless act of humanity.

Dr. Harkanwal Preet Singh rescued her to the nearby hospital. Because of his tireless and selfless efforts she could get the emergency treatment. Management , Principal , Faculty and students salute our brave hearts . Salutations !!

DREAM BELIEVE ACHIEVE

12th December 2020 on the occasion of 34th Annual Convocation Pierre Fauchard Academy , our faculty Dr. Nitinpreet Kaur was awarded with 'Pierre Fauchard Academy Award 2020'. This award is given for being one among India's Top 15 BDS Students. We all are proud of your achievement and wish many more success like this in future. Congratulations Dr. Nitinpreet Kaur.

Dr. SPS Sodhi as a Fellow

Another pleasing and conceited moment for all DIRDIANS as our Principal Dr. S.P.S Sodhi was conferred with a FELLOW by International association of Oral and Maxillofacial Surgeons on 28th February 2021.

Dr. Gursimrat Kaur Brar as a Fellow

Adding another feather to her crown of success, indeed a proud feeling to all DIRDIANS as Dr. Gursimrat Kaur Brar also conferred with a Fellow by International Association of Oral and Maxillofacial Surgeons on 28th February 2021.

AOMSI - Virtual Mock VIVA Examination

AOMSI initiated a new programme of conducting a nationwide virtual Viva voce for all the Post Graduate students by eminent post graduate examiners in the field of Oral & Maxillofacial Surgery. From DIRDS Dr.S.P.S. Sodhi, Principal, Professor & Head OMFS, Dr. Ramandeep Singh Brar, Professor OMFS and Dr. Gursimrat Kaur Brar, Associate Professor OMFS were invited by the AOMSI as Mock Examiners. This event was held on 25th march 2021.

RISING TO THE OCCASION

DIRDS constantly encourages Alumni to organize activities towards the commitment of healthcare workers towards community. This year DIRDS Alumni Association rising to the occasion distributed face masks and sanitizers to all the security and house keeping staff of the institution. These kind of events were organized on 1st and 7th December 2020. They also donated sodium hypochlorite solution with spray container to the institution to enhance the sanitization facility of the institution.

DIRDS Alumni association members actively participated in institutional events oriented on emerging demographic issues. This year DIRDS Alumni Association actively participated in dengue prevention and control programme which aimed preventive measures of dengue. Alumni members displayed various banners in the campus through which important information regarding the preventive measures for dengue are highlighted. Pamphlets are also distributed among community to make people aware and to educate community about the measures for the extermination of mosquito breeding sites.

International Women Day -2021

This year International Women day at DIRDS was celebrated in a very noble way. Two eminent personalities of the city Dr. Gulbir Kaur and Mrs. Parminder Kaur Gill graced the occasion as our Guest of Honour. Dr Gursevak Singh, Director and S. Swarnjit Singh Gill, Joint Director along with Principal Dr. S.P.S. Sodhi and other Faculty Members also participated in this event. Dr Gulbir Kaur and Mrs. Parminder Kaur Gill inaugurated the COVID 19 vaccination drive for all female Safai Sevaks. A poster competition for interns on theme 'Women Empowerment' was also organised on this occasion. The event was followed by fellowship and felicitation of all female faculty members by staff.

During the day, all interns also attended on "Women in Leadership: Achieving an Equal Future in a COVID-19 World" organised by HRD Ministry, Govt. of India. The webinar was presided honourable Minister of Education Sh. Ramesh Pakhriyal.

ਰੋਹੀ ☹️
 ਭੱਜੀ ਫੀਰਦੀ ਏ ਟੁਲੀਆਂ ਸੁਭਾਗਾ ਜਮਾ ਖਾਏ ਰੋਹੀ।
 ਏਸ ਰੋਹੀ ਦਾ ਬੇਟ ਕੋਈ ਨਾ ਜਾਣੇ ਕਿੱਥੇ ਆਈ ਤੇ ਕਿੱਥੇ
 ਬਣਾਈ ਰੋਹੀ ਕਿਸ ਜੱਟ ਨੇ ਰੋਹੀ ਦਾ ਭੀਜ ਭੇਈਆਂ
 ਕਿਸ ਜਮੀਨ ਰੋ ਆਈ ਰੋਹੀ। ਕਿਸੇ ਬੁਖੇ ਨੂੰ ਖੁਸ਼
 ਮਨ ਕਿਸੇ ਨੂੰ ਮਿਲਦੀ ਨਾ ਖਰੀ ਪਕਾਈ ਰੋਹੀ।
 ਸਿਨਾ ਆਖ ਚਲਦਾ ਤੁਹਾਡੇ ਕਿੰ ਸਾੜ ਲੱਟੀ ਹਰ
 ਲੋੜ ਦੀ ਅੱਗ ਭੁਜਾਏ ਰੋਹੀ.....
 ਮੇਰੇ ਏ ਕਦਰ ਨੂੰ ਵੇਹ ਜਾਣ ਖਾਏਆ ਜੀਸ ਨੂੰ ਮਿਲਦੀ
 ਖਰੀ ਪਕਾਈ ਰੋਹੀ (੯)

UNREAL

There's endless roads to my darkness,
 Yet I try to escape
 But no matter how far away I run,
 It always finds it's way

I dream of roses,
 But wake up to the thorns
 I tend to love endlessly,
 No matter how painful or wrong

I get high off my pain,
 Till I'm actually numb
 Can't even go back,
 Cause it all began when I was pretty
 young

I keep it as my secret,
 My dark forests remain intact
 But The bright gardens that people meet
 me at,
 Are all they see, yet, somehow all
 unreal ❤️

Mai mitti se bna, Mitti mai chla
 Mitti se hi khaya, Mitti mai flaa
 Mere anssoyon ka mol nahi?
 Mere hone se baithe ho tum,
 uss takht par,
 Meri dariyadilli ,mai phr bhi wahin ...
 Ahankare adab se jo behre ho gye ho
 Kissi din mitti ne hi
 Milne se thukra diya toh??
 Rakhwale ho, haqdarr nahi !!
 Tajposhit ho, raja nahi....!!
 Hum se tum ho, tum se hum nahi..
 Chinno gye toh ...kitna hi ??
 Bhukh ki toh hadh nahi....
 Tum gidd se lgte ho mujhe,
 Par sambhlo,Meri mitti mass ka tukda nahi!!
 Chinoge, hathayoge phr khud k naam kar jaoge,
 jo kan kan mai meri
 hondh bn k basti hai usse pakd paoge?

MOTHER

*If I could give you diamonds,
For each drop of tear you've shed for me
If I could give you sapphires,
For each truth you've helped me see
If I could give you rubies,
For each heartache you've endured for me
If I could give you pearls,
For each drop of wisdom you've showered on me*

*Even if I collect all these gems,
That would mount upto the skies
But still it cannot match,
The sparkle in your loving eyes*

*I have no gems or worldly wealth,
But I will give you my devotion, love and care
Even if we are miles apart,
In my prayers, you'll always be there*

By- Manika Mittal, MDS First Prof.
Department of Pediatric and Preventive Dentistry

ਜਿੰਨਾਂ ਦੇ ਸਿਰ ਤੇ ਰੋਟੀ ਖਾਣੇ ਆਂ
ਨਾਲ ਉਨਾਂ ਦੇ ਅੱਜ ਖੜਨਾ ਹੀ ਪੈਣਾ।
ਤਾਂ ਹੀ ਕਲ ਨੂੰ ਰੋਟੀ ਪਾਣੀ ਦੇ ਲਈ ਲੜਨਾ ਨੀ ਪੈਣਾ
ਏਹੋ ਮੌਕਾ ਇੰਨਾਂ ਨੂੰ ਇੰਨਾਂ ਦੇ ਹੱਕ ਦਵਾ ਦੇਵੇ।
ਤਾਂ ਕਿ ਕਿਸੇ ਕਿਸਾਨ ਨੂੰ ਕਲ ਫਾਹੇ ਲਗਣਾ ਨੀ ਪੈਣਾ।
ਸੰਦੀਪ ਇੰਟਰਨ

ਮਾਂ ਦੀ ਮਮਤਾ ਨਾਲ ਅਰਾ ਵਿੱਚ ਬਣਾ ਕੇ ਹੀ ਤੁਹਾਡੀਆਂ ਦੇ ਬਾਹਰ ਆਉਣ ਦੀਆਂ ਮਜ਼ਹ ਨਸਰ ਹੋਣ ਤੇ ਗਲੀ-ਮੁਹੱਲਿਆਂ, ਘਰ-ਦਫ਼ਤਰ, ਮਿੱਠਾ ਦੀਆਂ ਸ਼ੰਕਾ ਸ਼ੁਕੁਆ ਤੇ ਪੜਨ-ਸੁਣਨ ਨਿਲਈ ਚਕਰਾ ਖੋਰਾ ਦੇ ਮਾਣ-ਸਨਮਾਨ ਦੇ ਹਾਣ ਦੀ ਨਹੀਂ ਸੱਠੀ। ਮੇਰੀ ਅਭਿਆਸਕਾ ਮਾਂ ਦੋਹਣ ਸਗਲੀ ਹੈ। ਕੁਝ ਦਿਨ ਪਹਿਲਾ ਪਾਪ ਜੀ ਦਾ ਹੋਣ। ਅਭਿਆ ਕਿ ਉਹ ਕੁਝ ਮਹੱਲੇ ਪਹਿਲਾ ਚਿੱਠ ਠੀਕੀ ਠੀਕੀ ਦੇ ਪੇਟੀ ਕੇ ਨਿਕੇ ਕੁੱਪਾ ਨੂੰ ਦੇ-ਫਿਨ ਦਿਨ ਦੀ ਖੋਲ-ਖੁਆਰੀ ਤੇ ਬਾਅਦ ਬਣਨਾ ਨਿਖਾਈ ਹਨ, ਸੁਣ ਕੇ ਠੀਕੀ ਦੀ ਉਲਠੀ ਫੜ ਗੁਰਾਕੇ ਨਿਨ ਖਾਣ ਆਉਣ ਲੱਗੇ। ਫਾਈ ਮਾਂ ਵੱਲੋਂ ਦੱਸਿਆ ਕਿ ਕਰਨ ਖਾਣ ਕਰਦਿਆਂ ਕਿ ਡਾਂਡੀ ਤੁਹਾਡੀਆਂ ਦੇ ਪੁਰਾਣੇ ਸਿਨਿਆ ਚ ਅਰਾ ਦੀਆਂ ਸਿਖਾਈਆਂ ਖੋਰਾ ਤੋਂ ਪਾਪਣ ਵੱਲ ਕੇ ਕੁਝ ਕੁਝੋ ਪੈਸੇ ਬਣਾ, ਮੇਰ ਕੇ ਗੱਲਾਂ ਕਰਦੀਆਂ ਸਨ ਸਿਹਣੇ ਖੋਲੇ ਵੇਲਿਆਂ ਵਿੱਚ ਅਰਾ ਦੇ ਕੰਮ ਆਇਆ ਕਰਦੀ ਸਨ। ਪੇਟੀ ਦੀ ਨੁੱਕਰ ਚ ਸਾਰ ਕੇ ਰੱਖਿਆ ਠੀਕੀ ਦਾ ਫੋਟਾ ਟੁਕਾਈ ਨੁਣ ਪੜਸ ਖੋਰਾ ਸਾਹਣੇ ਆਉਣਾ ਹੈ। ਠੀਕੀ ਦੇ ਸਫਾ ਲਈ ਕੁਝ ਸਾਣ ਤੇ ਉਲਠੀ ਪੇਟੀ ਕੇ ਨਿਕੇ ਫੋਟੇ ਪੜਸ ਨੂੰ ਪੋਰਸਾਇਆ ਮਰਨਾ ਦੀ ਉਸ ਗੋਬੀ ਕੇ ਮਾਂ ਦੀ ਗੋਬੀ ਸਿਹਣੀ ਮਹਿੰਗ ਆਈ ਸੀ, ਸਿਹਣੀ ਹੁਣ ਮਾਂ ਦੀਆਂ ਚਾਚਾਨਾ ਤੇ ਮੇਰ ਚ ਦੀ ਫੁੱਲੇ ਹੁੰਦੀ ਹੈ। ਨਿਸ ਖੋਰਾ ਪਹਿਚਾਰ ਤੇ ਸਨੇਰੀਆਂ ਲਈ ਉਹ ਆਪਣੀ ਹੁਣ ਖੁਰੀ ਵਾਚ ਸਿੰਦੀ ਹੈ। ਠੀਕੀ ਦੀ ਗੋਬੀ ਕੇ ਨਿਕੇ ਤਿਨ ਹਰਾਰ ਕੁਝੋ ਠੀਕੀਆਂ ਖੋਰਾ ਨਾਲ ਪਾਪ ਜੀ ਨੂੰ ਰੁੜਾਉਣਿਆ ਮੈਂ ਕਿਹਾ ਸੀ, ਆਹ ਲਓ, ਉਲਠੀ ਜਾਈ ਵਾਰ ਦੀ ਮੇਰ ਮਰਨਾ ਦੀ ਗਰਾਈ ਮੈਨੂੰ ਆਪਣਾ ਬਚਪਨ ਖਾਣ ਹੈ ਜਦ ਠੀਕੀ ਦਾ ਸਿਹ ਫੋਟਾ ਪੜਸ ਸਿਹਣਾ ਸਿੱਧ ਪੈਣ ਤੇ ਸਾਡੇ ਪਹਿਚਾਰ ਤੇ ਆਪ-ਗੁਆਫ ਦੇ ਹੀ ਕੰਮ ਨਹੀਂ ਸੀ ਆਉਣਾ ਸਗੋਂ ਸਭੇ-ਸਨੇਰੀਆਂ ਲਈ ਹੀ ਚੈਨ ਦਾ ਸਬੰਧ ਬਣਦਾ ਸੀ। ਮੈਂ ਅਕਸਰ ਵੱਖਿਆ ਕਰਦੀ ਸਾਂ, ਅਤੇ-ਕੁਝ ਸਾਡੀਆਂ ਨਿੱਤਾ ਦੀ ਪੁਰਾਣੀ ਉਸ ਦੁਆਰਾ ਬਚਾ ਕੇ ਕੰਮ ਪੈਰਿਆ ਨਾਲ ਹੀ ਹੁੰਦੀ ਸੀ। ਮੈਂ ਆਪਣੀ ਕਿਸੇ ਵਿਸ਼ੇਸ਼ਤਾ ਦੀ ਜਾ ਸਹਿਰ ਨੂੰ ਜਾਣ ਲਈ ਸਾਡੀ ਫੁਆਫਣ ਦਾਜੀ-ਤਾਈ ਕੋਲ ਕੁਝ ਪੈਸੇ ਅਟ ਜਾਣੇ ਤਾਂ ਠੀਕੀ ਕੋਲ ਆਉਣ ਤੇ ਉਸ ਨੇ ਚੁੱਪ-ਚਾਪ ਪੈਸੇ ਉਹਨਾ ਦੀ ਮੁੰਠੀ ਚ ਦੇ ਦੇਣ ਤੇ ਆਖਣਾ, ਸਿਹ ਗੋਬੀ ਚ ਪੈਸੇ ਬਚਾ ਕੇ ਕੰਮਣ ਦੀ ਮੰਤ ਮੋਰੀ ਮਾਂ ਨੇ ਦਿੱਤੀ ਸੀ।

ਸਾਡੇ ਸਕੂਲ-ਕਾਨਿਨ ਸਾਇਆ ਪਾਪ ਜੀ ਦੇ ਕਿਤੇ ਦੂਰ ਦੁਰਾਣੇ ਗਏ ਹੋਣ ਕਾਰਣ ਠੀਕੀ ਸਾਡੀ ਕੋਈ ਵੀ ਫੀਸ ਆਪਣੀ ਗੋਬੀ ਕੇ ਹੀ ਦਿਆ ਕਰਦੀ ਸੀ, ਉਹ ਅਕਸਰ ਹੀ ਆਖਦੀ, ਖੋਟਾ ਮੈਂ ਕਿਸ ਕਰਕੇ ਪਾਈ-ਪਾਈ ਖਾਣਾ ਕੇ ਕਮਦੀ ਹਾਂ ਤਾਂ ਜੇ ਕੋੜ ਕੋਲੇ ਨਸੇਰੀ ਨਾ ਝੋਲਈ ਪਏ ਉਸ ਦੀਆਂ ਆਪਣੀਆਂ ਬਹੁਤੀਆਂ ਲੋੜਾਂ ਨਹੀਂ ਸਨ ਹੁੰਦੀਆਂ, ਪਹਿਚਾਰ ਲਈ ਉਸਨੇ ਸਾਡੇ ਸੀਵਨ ਤੇ ਕਿੜਤ ਨੂੰ ਆਪਣਾ ਮੂਲ ਬਣਾ ਲਿਆ ਸੀ। ਉਹਨਾ ਸਹਿਆ ਚ ਮਿੱਠਾ ਵਿੱਚ ਚਿਖਾਫ-ਸਾਈਆ ਸਮੇਂ ਅਰ-ਅਰ ਜਾ ਕੇ ਭਾਜੀ ਵੱਡਣ ਦਾ ਸਿਚਾਰ ਹੁੰਦਾ ਸੀ, ਅਰ ਭਾਜੀ ਦੇਣ ਆਈਆਂ ਖੋਰਾ ਨੂੰ ਹੀ ਠੀਕੀ ਵਿੱਚ ਮੁਰਾਬਿਕ ਆਪਣੇ ਕੋਲੇ ਸਗਨ ਭੰਜ ਦਿਆ ਕਰਦੀ ਸੀ। ਆਪਣੇ ਅਰ ਜਾ ਆਪ-ਗੁਆਫ ਦੇ ਕਿਸੇ ਖਾਣ ਨੇ ਠੀਕੀ ਵਾਲੇ ਤੇ ਠੀਕੀ ਸਿੱਧ ਦੀ ਸਿਹ ਕਰਨ, ਸੀਕੀ-ਸੀਕੀ ਕੇ ਕਿਸੇ ਖੋਰਾ ਦਾ ਡੰਗ ਸਾਹਨ, ਪੀ-ਪਿਆਣੀ ਦੀ ਕੋਲੇ ਰੀਝ-ਕਮੜ ਨੇ ਕੇ ਦੇਣ ਤੇ ਅਰ ਲਈ ਹੱਟੀ ਤੇ ਸਿਖਾਈ ਜਾਣ ਵਾਲੀ ਕਿਸੇ ਰੀਝ ਲਈ ਪੈਸੇ ਠੀਕੀ ਤੇ ਹੀ ਨਿਲਦੇ ਸਨ। ਮਾਂ ਦੀ ਇਸ ਗੋਬੀ ਕੁੱਝ ਰਕਮ ਵਿੱਚ ਪਾਪ ਜੀ ਵੱਲੋਂ ਅਰ ਦੇ ਕਿਸੇ ਅਰਕ ਲਈ ਨਿਕੇ ਪੈਰਿਆ ਵਿੱਚੋਂ ਠੀਕੀ ਕਿਸਮ ਤੇ ਨਿਲਾਣਾ ਸਿੱਖ-ਤਿਹਿਚਾਰ ਤੇ ਨਾਨਕਿਆ ਵੱਲੋਂ ਨਿਕੇ ਪੈਸੇ ਦੀ ਸਾਹਲ ਹੁੰਦੇ ਸਨ।

ਆਪਣੇ ਸਕੂਲੀ ਸੀਵਨ ਵਿੱਚ ਸਿਹ ਠੀਕੀ ਦੀ ਮੇਰ-ਮਰਨਾ ਤੇ ਪ੍ਰੇਰਨਾ ਨੇ ਸਿਹਣੀ ਨੂੰ ਪੈਰਾ ਸਿਹ ਕਰਨ ਚ ਦਾ-ਪੰਠੀ ਕੋਲ ਨਿਰਾਈਆ | ਉਸ ਦੀ ਮਰਨਾ ਦਾ ਸਿੱਧ ਵਿੱਚ ਕੁੱਝ ਵੀ ਹੁਣ ਪਲ ਮੇਰੇ ਅੰਗ ਸੰਗ ਰਹਿੰਦਾ ਹੈ... ਆਪਣੇ ਕੰਮ ਪੂਰੀ ਸਗਨ, ਦੁਸਹਿਆ ਦੇ ਕੰਮ ਚ ਦਾਖਲ ਨਾ ਦੇਣਾ, ਹੋਰਨਾ ਖਾਰੇ ਮੇਰਾ ਨਾ ਸੋਰਾਣਾ, ਦਰਜੇ ਅਨੁਸਾਰ ਹਰ ਕਿਸੇ ਦਾ ਸਤਿਕਾਰ ਕਰਨਾ ਤੇ ਵਿੱਚ ਮੁਜਬ ਆਪਣੀਆਂ ਦੀ ਹੀ ਨਹੀਂ ਸਗੋਂ ਸਗਨਾ ਦੀ ਮਰਾਫ ਕਰਨਾ, ਉਸ ਦੇ ਆਪਣੇ ਕਰਮ ਤੇ ਅਮਰਾ ਤੇ ਸਿੱਖਿਆ ਹੈ ਤੇ ਕੁਝ ਸਿਹ ਮੇਰੇ ਸੀਵਨ ਦਾ ਕਰਮ ਬਣ ਗਿਆ ਹੈ। ਮਾਫ ਦੀ ਸਿਹ ਸਮਰਪਣ ਕਾਰਨ ਆਪਣੇ ਅਰ, ਖਾਣਾ ਤੇ ਸਿਹਣਿਆਂ ਦੀ ਖੁਰਿਆਫ ਹੈ, ਸਿਸ ਵਿਚ ਦਿਲੀ ਸਨੇਹ, ਸਤਿਕਾਰ ਦੀ ਸਹਿਯੋਗ ਦੀ ਨਿਰਾਸ ਫੁੱਲੇ ਹੋਈ ਹੈ। ਤੋਤਾਈਆਂ ਆਵਾਜ਼ ਨੂੰ ਸਭਾਨ ਦੇਣ ਵਾਲੀ ਮੇਰ-ਮਰਨਾ ਦੀ ਮੁਰਤ ਬਹੀ ਹਰੇਕ ਮਾਂ ਸਾਡੇ ਸਤਿਕਾਰ ਦੀ ਪਾੜ ਤੇ ਸੇਵਾ-ਸਨਾਮ ਦੀ ਹੰਕਾਰਕ ਵੀ। ਖਾਸ, ਅਸੀਂ ਮਰਨਾ ਦੀਆਂ ਸਾਕਾਰ ਮੁਰਤ ਬਣੀਆਂ ਮਾਫ ਦੀ ਕਰਾਰ ਸਮਝ ਸਕੀਏ।

“Mother” is just a simple word,
But to me, there's meaning seldom heard,
For everything I am today,
My Mother's love showed me the way,
I'll love my Mother all my days,
For enriching my life in so many ways,
Mom without you, there would be no me,
Your love, your attention, your guidance,
Made me who I am today,
I will always be grateful to you for this,
Without you, I would be lost,
Wandering aimlessly without direction and purpose.
You showed me the way,
To serve, accomplish.
Without you, there would be an empty space,
I could never fill, no matter how I tried,
Instead because of you,
I have joy, content, satisfaction and peace.
Mom from the time, I was really young
I realised I had someone...you,
who always cared,
who always protected me,
who was and is always with me no matter what.
You taught me right from the wrong,
And pushed me to do the right thing always,
Even it was hard to do that.
You take care of me always when I am sick,
Your love help me ,make me well.
You had rules,I leaned that when I obeyed them,
My life was simpler,better, happiest..
You were and are guiding light of my life,
My heart is filled with love for you always,
My teacher,my best friend, my mother,
Thankuu for being the most wonderful person in my !!

Future prospects

Academic Collaboration with other research institutes
To promote CBCT in private dental practitioners in other parts of Punjab
To promote CBCT in neighbouring dental colleges.

UNIVERSITY MERITHOLDERS

Poshali (1st)

Kanika (2nd)

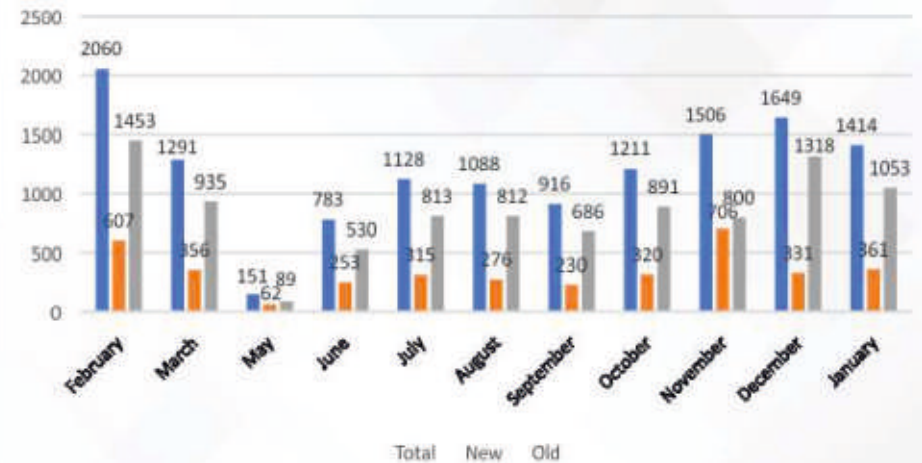

Tanvi (4th)

BEST PRACTICE

Various red and white lesions, potentially malignant disorders and pigmented lesions etc. are diagnosed and managed in the department. Intraoral & Extraoral radiographs (CBCT) such as OPG, radiographs of mandible, sinuses, skull etc. are performed. CBCT is utilized for diagnosis of extensive lesions. Tobacco cessation awareness programmes are conducted on 31st May every year on occasion of World No Tobacco Day.

DEPARTMENT OF PUBLIC HEALTH DENTISTRY

OVERVIEW OF THE DEPARTMENT

An Public Health Dentistry Department focuses on the science and art of preventing and controlling dental diseases, and promoting dental health through organized community efforts. Our faculty and staff are responsible for the planning and execution of community based extra mural experiences (both clinical and non- clinical) and public health course work of the dental students. The Department is involved with training of undergraduate in the theoretical and practical aspects of dental public health, as well as in oral health research. In addition to this, the department is involved in various oral health programmes, social welfare initiatives, rural health and school health programmes.

Our vision is to improve the oral health of the community, thereby alleviating the quality of life. Our Mission is to eliminate disparities in oral health status and improve access to oral health care services, promote optimum oral health and prevent disease through community efforts, to involve people in their own health, to be a trusted resource for oral health information in the community..

DEPARTMENT LOCATION IN THE INSTITUTION

Department of Public health dentistry is situated at the second floor and is marked as department No. 2.

DEPARTMENT OF PUBLIC HEALTH DENTISTRY

Infrastructure

UG Section
Health Museum
HOD Office
Reader Room

Facilities

Mobile Dental Van
Museum and Oral Health Education Room
Satellite Dental Clinics

Events Organized and Faculty Participation

Organized Flag Day on 7th December' 2020 and contributed INR 3500 /- towards Army Flag Day Fund 2020.
Organized a Webinar by Dr. Varinder Goyal on "What After BDS" in Multimedia – I dated 13/1/2021.

PUBLICATIONS

Best Practices:

Extensive Community outreach program.
Mobile dental clinic.
Urban / Rural Dental Health Care Centre.

Services offered

Dental Health Screening and Treatment Camps
Oral Health Education Through IEC

Name of Centre	Distance from Institution
Dasmesh Rural Health Centre, S. Narinder Singh Charitable Hospital, Village Sadiq, Faridkot	20 km
Modern Jail	1 km
Near Canals, Talwandi Road, Faridkot	
Dasmesh Rural Dental Clinic,	25 km
Dasmesh Public School,	
Village Bargari, Faridkot	
Satellite Clinic at Gurudwara Ajit Singh Ji Faridkot	2 km

Add on Responsibilities:

Publicity of College Activities

Organization of Special Camps like

- On completion of 550th Birth Anniversary of Shri. Guru Nank Dev ji, Free Denture, Restoration, Extraction and Scaling Camp was organized in association with Department of Prosthodontics from 26th November to 29th November 2020.
- In association with Department of Periodontics organized Free Scaling and Gum Disease Treatment Camp was organized dated 18/1/2020.

FACULTY

Name	Designation
Dr. Prahlad Gupta	Professor
Dr. Amitoj Kaur	Lecturer
Dr. Ketan Mehta	Lecturer
Dr. Gurmeet Singh Brar	Lecturer
Dr. Rishab Kapoor	Lecturer

Special Teaching and Learning Programmes:

Learning from Experts: A Course for Health care Professionals" – Online tobacco cessation programme developed by faculty at John Hopkin's Bloomberg School of Public Health, Baltimore, USA. This programme was adopted by the Department of Public Health Dentistry and the interns were required to complete this programme failing which their internship is not completed.

Successfully completed E – Learning workshop – an online course conducted by Dr. Sanjay Bedi, Director, MEU India from 1st September 2020 – 30th December 2020
Delivered CPC on "Epidemiology" dated 25/11/2020 in Multimedia – I at DIRDS.

DEPARTMENT OF ORAL AND MAXILLOFACIAL SURGERY

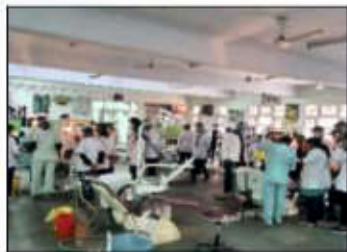

OVERVIEW OF THE DEPARTMENT

Oral and Maxillofacial Surgery is the specialty of dentistry which includes the diagnosis, surgical and adjunctive treatment of diseases, injuries and defects involving both the functional and aesthetic aspects of the hard and soft tissues of the oral and maxillofacial region. The Department of Oral & Maxillofacial Surgery was established in 1992; with BDS course 100 seats per year. It is a recognized post-graduate department with intake of 2 MDS seats per year since 2008.

This department does have good infrastructure and composed of experienced eminent faculty members, spacious undergraduate practical section, having state of art modern equipment including piezo- surgery, implant surgery and latest operation theatre facilities. The Department is equipped with all major and minor instruments and equipment enlisted in the DCI Proforma for intake of 100 BDS seats and MDS courses. The Department is known for management of various Maxillofacial trauma, pathologies, including cancer and Implant surgery. This centre is serving as a satellite centre for the patients from Malwa belt of Punjab.

DEPARTMENT LOCATION IN THE INSTITUTION

Department of Oral and Maxillofacial Surgery is situated on the ground floor and is marked as No. 3 department.

DEPARTMENT OF ORAL AND MAXILLOFACIAL SURGERY

INFRASTRUCTURE

- Exodontia Department
- Septic Clinic
- P.G Section
- Minor OT and Recovery
- Sterilization Room
- Seminar Room
- Departmental Library
- Store Room
- Major OT Complex (In the Hospital Section – 3rdFloor)
- HOD Room
- Professor Room
- In patient Wards (Hospital Section – Ground Floor)

SERVICES PROVIDED

- Simple extraction
- Disimpaction/ Surgical extraction
- Biopsy
- Management of Facial Space Infection/Abscess
- Apicoectomy and Periapical Curettage
- Fracture Management
- Implant placement
- Cystic enucleation
- Peripheral Neurectomy/TENS Therapy
- TMJ Ankylosis/ Arthrocentesis
- Cancer Surgery
- Orthognathic Surgery
- Caldwell-Luc Surgery with Nasal Antrostomy/ OAF Closure
- Pre-prosthetic Surgical procedures
- Frenectomy/ Alveoplasty

Dr. Surinder Pal Singh Sodhi	Principal, Professor & HOD
Dr. Ramandeep Singh Brar	Professor
Dr. Gursimrat Kaur Brar	Assoc. Professor
Dr. Amul Jain	Asstt. Professor
Dr. Mehak Malhotra	Asstt. Professor
Dr. Sonu Gupta	Asstt. Professor
Dr. Parminder Singh	Lecturer
Dr. Tania Narula	Lecturer

Dr.S.P.S Sodhi – Awards & Honours

- **Best Principal and Most Inspiring Teacher Award 2020**; honored by Dasmesh Institute of Research and Dental Sciences, Faridkot
- Honored by NGOEK Koshish as Healthcare COVID Warrior
- Conferred as fellow of prestigious IAOMS
- **Organizing Chairman and Guest Speaker** at one – day CDE program on 'Principles of Minor Oral Surgery and Biopsy Techniques' - & 'Hands- on workshop on Goat Tongue' on Dec 22-2020
- Organising Chairman & Guest Speaker AOMSI Master class 2020 – 20th -23rd Feb 2020
- **Panelist**-at virtual Masterclass-2021 organized by AOMSI for postgraduates held on 18th- 20th march 2021

Presented Manual on Covid-19 – A comprehensive manual on instructions and guidelines for working at Dental Hospital

Guest Speaker - Webinar on Medical Emergencies, organized by BJS Dental College, Ludhiana.

Guest Speaker-Webinar on "Dentistry PostCovid-19" on 10.5.20

Guest Speaker - webinar conducted by IDA North-West in association with Care stream Dental on "Preparing to reopen your practice!!Are we ready for Dentistry?" on 15th May, 2020.

SPECIAL TEACHING & LEARNING PROGRAMMES

- Departmental e-library has been established consisting of books of basic sciences as well as Oral &Maxillofacial Surgery.
- Special teaching – Every year, basic principles of Minor Oral Surgery, Biopsy techniques and Suturing workshop is being organized since 5 years.
- Students perform dental wiring techniques on simulators. Group discussions and Master classes for U.G as well P.G are conducted on daily basis.

ACADEMIC & SCIENTIFIC PROGRAM ORGANIZED BY THE DEPARTMENT

- AOMSI MASTERCLASS – 2020 from 20th 23rd 2020
- Minor Oral Surgery and Biopsy techniques &hands on workshop on suturing techniques on goat tongue -22nd December 2020

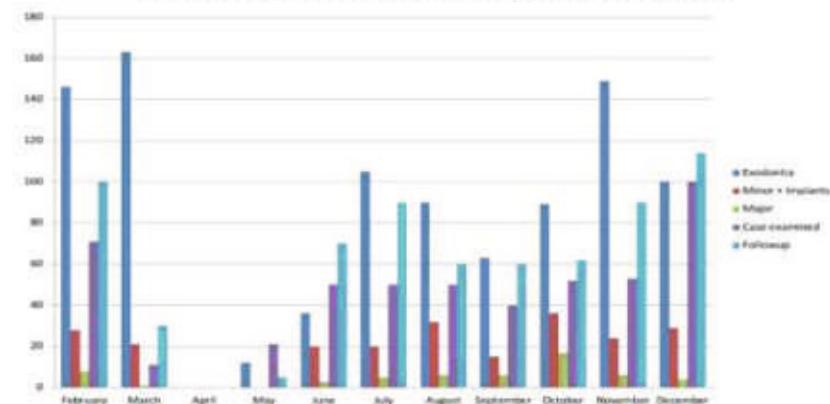

RESEARCH PROJECTS COMPLETED:

- Comparative evaluation of surgical outcome after removal of impacted maxillary or mandibular tooth using a piezotome and conventional handpiece.
- Comparative evaluation of crestal bone loss around two free standing immediately loaded one – piece versus two – piece implant retained mandibular overdentures.

DISTINCTION HOLDERS IN OMF5BDS 2020

- Poshali Goyal • Kanika Juneja • Ramandeep Kaur

TREATMENTWISE CASE DISTRIBUTION DETAILS

FUTURE PROSPECTS

- To promote excellence in research especially in the field of Implant dentistry & Orthognathic and Facial Aesthetic Surgeries including hair transplant.

- Post graduate students attended "Virtual Master Classes – Pedo RaRe" from 25th May to 28th May, 2020, organised by Indian Society of Pediatric and Preventive Dentistry.
- All post graduate students participated in virtual essay competition organised by ISPPD in the month of August 2020.

Treatment wise case distribution details (Feb. 2020 – Jan. 2021)

STUDENTSPERFORMANCEANDLEARNINGOUTCOME

Undergraduate students are illuminated with the fundamentals of the subject through case presentations, group projects and time to time quiz on specific topics during departmental postings.

BESTPRACTICES

Department is having dedicated, qualified faculty members and Post-graduate students, equipped with the best tools and materials from a wide array of options, to tackle the problems faced by patients with a calm mind, precision and skill. Services offered by the department include, but are not limited to, extractions of natal and neonatal teeth, conservative management of caries in preschooler, fabrication of appliances designed specially to help the child get rid of deleterious oral habits, endodontic treatment & the treatment of child with special health care needs, treatment under conscious sedation and general anesthesia all with the touch of profane care and tenderness.

Our heart goes out to the crying children on the dental chair, but with a heavy heart and a smiling face, we strive forward, for an ounce of discomfort now would save them a ton of pain later. Seeing the tantrums and crying eyes getting replaced by a jolly 'hello' and smile in subsequent visits is without a doubt one of the most rewarding experiences in the department. The top still being, the mental satisfaction that is achieved in knowing, that in striving forward, we will make life better not only for the patients being dealt with currently but also go a long way in dodging dental problems for generations to come.

DEPARTMENT OF PERIODONTOLOGY & IMPLANTOLOGY

OVERVIEW OF THE DEPARTMENT

The department of Periodontology was established in the year 1992 and recognized for MDS course in the year 2011. Department of Periodontology and Oral Implantology prides itself with an impressive infrastructure for both undergraduate and postgraduate training program, patient care and for research activities in the field of Periodontology. Clinical skills training in non-surgical and preventive periodontal procedures and opportunity to master a variety of periodontal surgical and implant procedures under the guidance of experienced faculty has been at the core of the department objectives.

Sub-Sections:

The department has separate undergraduate and post-graduate sections, minor operation theatre, donning and doffing area, UG & PG sterilization room, seminar room, HOD room, PG common room & patient counselling room.

DEPARTMENT LOCATION IN THE INSTITUTION

Department of periodontology & Implantology is situated at the first floor and is marked as No. 5 department.

DEPARTMENT OF PERIODONTOLOGY & IMPLANTOLOGY

INFRASTRUCTURE

The department has well equipped minor operation theatre comprising of the latest treatment modalities like Electrocautery, Diode Laser, Ultrasonic scalers, Dental Implant Surgery Kit, Centrifuge Machine, CGF Box system along with proper sterilization facilities like table-top automatic autoclave.

Multimedia facilities like slide projector is available in the departmental seminar room to aid with audio-video mode with LCD projection. Integrated department library has collection of 48 books, student library dissertations, main dissertation and seminars.

SPECIAL TEACHING AND LEARNING PROGRAMMES

All faculty members have been awarded successfully with certificates conducted by MEU India Group from 1st September 2020 to 31st December 2020 and at present are eligible to conduct a basic E-learning course.

EVENTS ORGANISED AND FACULTY PARTICIPATION

Conducted a one-day Periodontal screening & treatment camp on 25th February 2020 in which periodontal treatment was done free of cost.

Organized an E-Poster competition for students on the occasion of birth anniversary of founder of I.S.P Dr. G.B. Shankwalker as Oral Hygiene Day on 1st August 2020

Conducted a one-day CDE Programme and workshop and on "Lasers in Dentistry" on 30th December 2020. The following lectures were delivered by the faculty members – Introduction and History of Lasers by Dr. Nitin Khuller, Science behind Lasers by Dr. Preetika Bansal. Clinical applications of lasers in periodontology by Dr. Archana Bhatia. Clinical Applications of Lasers in Dentistry by Dr. Anita Mehta (Professor). This was followed by a hands-on workshop in the department on chicken leg.

Conducted a one-day Periodontal screening & treatment camp on 18th January 2021 in which hand scaling was done free of cost; all other periodontal procedures were done at 50% cost

The number of patients registered for the camp were 58 out of which 35 patients reported to undergo periodontal treatment

BEST PRACTICE

"Long lasting solution for missed teeth,"-Implants. Dental Implants- An artificial tooth root made from titanium placed into the jaw to hold a tooth. The department has its own Dental implant surgical kit to place either Immediate implants or Delayed implants. Recent innovation in dental technology are used in our department. We are placing conventional implants presently in the department (Noris Implant kit) as well as trephine implants (ARDS) and the implants with PRF.

Laser Dentistry- Shortly after their invention in the early 1960s, lasers were introduced in the field of periodontology to treat Periodontal (gum) disease and perform Esthetic oral surgeries. In the hands of a skilled, specially trained dentist, Lasers are safe and also pain-free, vibration-free and creates blood less operative field and saves ample amount of time. In this department, we are using Soft tissue Diode Laser of wavelength 980 nm with Fiberoptic Tip under Foot control in Continuous or Pulse mode, depending on the type of procedure.

LASER in our department has been used extensively for various procedures like frenectomy, gingivectomy, de-pigmentation, desensitization, and operculectomy

FUTURE PROSPECTS

- To conduct continuing dental education programmes (CDE)/workshop
- Target at being self-sufficient in carrying out the various research activities in this field.
- To explore the possibilities of introducing new teaching methodologies
- To encourage staff to conduct more research activities in the department
- To promote interdisciplinary activities.
- Digitization of department.

TOTAL OPD

1,103 patients visited the department OPD and were successfully treated in a year

DEPARTMENT OF ORTHODONTICS & DENTOFACIAL ORTHOPEDICS

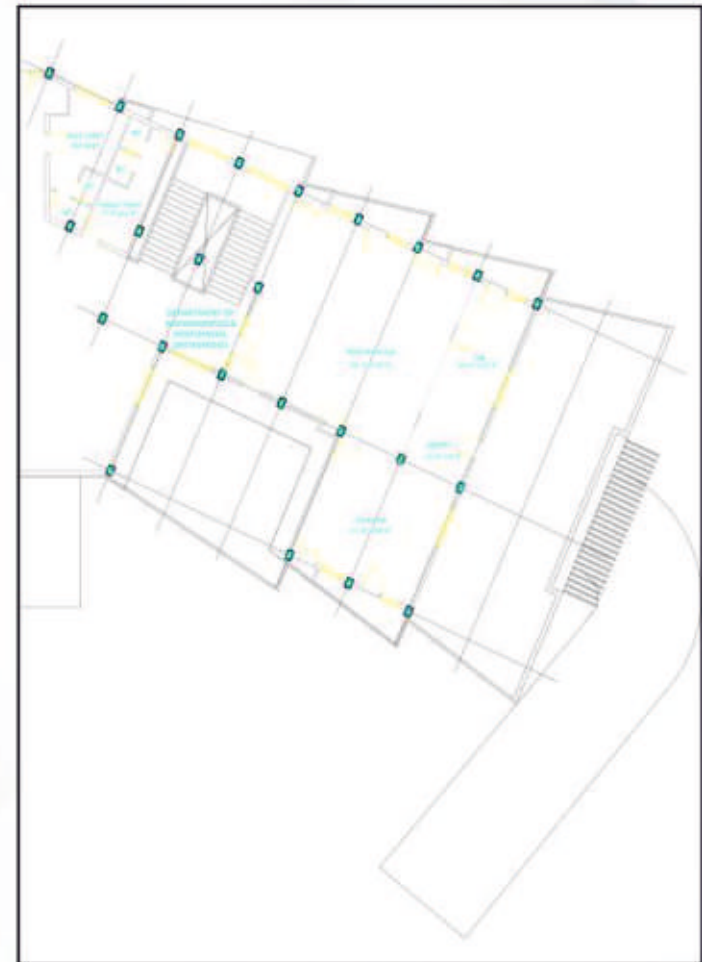

OVERVIEW OF THE DEPARTMENT

An unquenchable thirst to excel, untiring strive to achieve, limited facilities, inadequate manpower and yet a huge vision. Such was the department's stand in its initial years of birth in the year 2003. Ever since its inception, the orthodontic unit is witnessing a steady progress in all dimensions so as to evolve into an absolute wholesome. After its 15 years voyage of trials and errors, the department today stands proud featuring state of art facilities, sophisticated gadgets and high-quality materials in a refined operational ambience coupled with streamlined administration all making it one of a kind. Having started its orthodontic service in a petite setting with a single dental chair, the department's high ambition has led to its phenomenal growth today featuring 28 fully automated dental chairs, an exclusive sterilization corner for effective infection control, a material store ensuring uninterrupted supply of dental and orthodontic materials all functioning in a spacious floor with just one purpose: quality patient care.

DEPARTMENT LOCATION IN THE INSTITUTION

Department of Orthodontics & Dentofacial orthopedics is situated at the first floor and is marked as No. 6 department.

DEPARTMENT OF ORTHODONTICS & DENTOFACIAL ORTHOPEDICS

FACULTY

Name	Designation
Dr. Sudhir Munjal	Professor & HOD
Dr. Satnam Singh	Professor
Dr. Harmeet Singh	Assoc. Professor
Dr. Rahul Mittal	Asstt. Professor
Dr. Amandeep Kaur Sandhu	Lecturer
Dr. Nitinpreet Kaur	Lecturer
Dr. Jasleen Kaur	Lecturer

INFRASTRUCTURE

The Clinic & Labs
Lecture theatres
Store
Seminar room
Photography room
Computer Work Station
Pre-clinical area
Common room
Faculty room

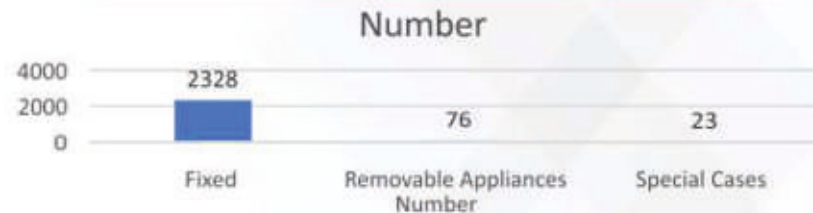

SERVICES PROVIDED

Functional Jaw Orthopedics
Myofunctional Appliances
Orthopedic Appliances
Expansion Appliances
Habit Breaking appliances
Space Maintainers / Regainers
Removable Appliance Therapy (RAT)
Removabe Appliances for Minimal Corrections
Clear Aligners / Regainers
Bite Opening Plates
Splints / NITI Guards / Sports Guards
Fixed Appliance Therapy (FAT)
Fixed Braces (Stainless Steel / Ceramic)
Use of TADs
Orthognathic Surgical Procedures

BESTPRACTICES

Our department deals with many special cases every year not just to increase the knowledge and make our students confident to compete at global level but also to render the best services at affordable rates. We are well updated with the latest technologies and so clear aligners are made by us using **Biostar** and offered to the patients who demand for high esthetics. Also, we have been frequently dealing with cases including arch expansion, distalization, fixed functional appliance cases like Powerscope, Frankel's appliance and children with cleft lip and palate, etc.

TREATMENTWISE CASE DISTRIBUTION DETAILS

DEPARTMENTAL PUBLICATIONS

- Indu B, Munjal S, S Singh, Singh H. Root Resorption – A Review. Journal of Advanced Medical & Dental Sciences 2020; 8 (5).
- Sachin S, Munjal S, S Singh, Singh H. Soft Tissue Analysis – A Review. Journal of Advanced Medical & Dental Sciences 2020; 8 (5).
- Tamanna, Munjal S, S Singh, Singh H. A comparative evaluation of space closure using different force delivery system – A Clinical Study. 2020; 8 (5).

FUTURE PROSPECTS

- Increase the total number of cases
- Establish PhD course
- Promote more research work
- Start dealing with Orthognathic surgeries in the first place
- Initiate student exchange programs by making collaborations

DEPARTMENT OF CONSERVATIVE DENTISTRY AND ENDODONTICS

OVERVIEW OF THE DEPARTMENT

The primary goal of Department of Conservative dentistry and Endodontics is prevention, diagnosis and conservative based treatment of dental caries and diseases and defects of natural teeth. This department is fully equipped with the latest equipment and technology and has adapted holistic and preventive approach towards ailments of the dentition. This department specializes in treatment of pulpal and periapical diseases through non-surgical and surgical methods. The treatment provided includes various types of fillings, root canal treatment, surgical endodontics, veneers, bleaching & management of traumatized teeth.

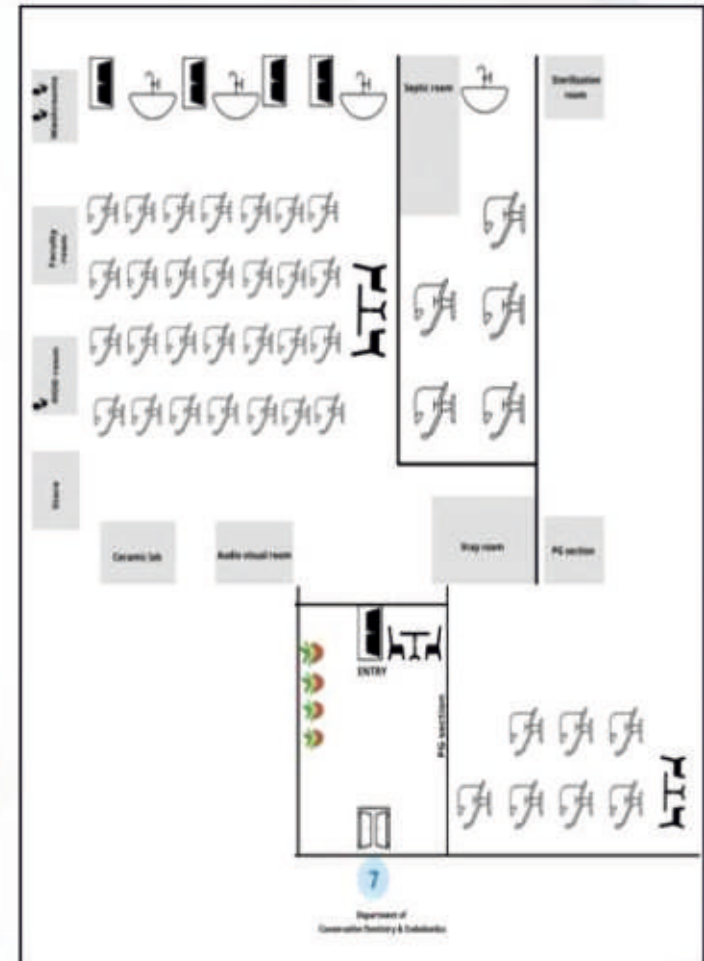

List of services offered

- Fillings
- Amalgam restoration
- Composite restorations
- Cosmetic contouring
- Veneers
- Bleaching of discolored teeth
- Root canal treatment
- Surgical endodontic treatment
- PFM crowns
- All Ceramic Crowns

DEPARTMENT LOCATION IN THE INSTITUTION

Department of Conservative Dentistry & Endodontics is located at the first floor and is marked as department no-7.

Professional Achievements

Dr. Sunandan Mittal

Moderator of a scientific session during the 12th IFEA World Endodontic Congress on 25th September, 2020.

Publications-

STUDENT PERFORMANCE AND LEARNING OUTCOME

University merit holders (PG)

- Dr. Anmolpreet Kaur – University 1st Rank
- Dr. Manisha Garg – University 1st rank
- Dr. Arshpreet Kaur (MDS 1st prof) – University 1st rank
- Dr. Ena (MDS 1st prof) – University 2nd rank

Distinction Holders

Poshali Goyal- BDS final year

Awards and achievements of students

- Dr. Arshpreet Kaur – Consolation prize (PG category) in ISPRP essay competition 2020.

FACULTY

Name	Designation
Dr. Sunandan K. Mittal	Professor & HOD
Dr. Tarun Kumar	Professor
Dr. Vanita Keshav	Professor
Dr. Charu Goyal	Asstt. Professor
Dr. Anmol Preet Kaur	Asstt. Professor
Dr. Kuljit Kaur	Asstt. Professor
Dr. Shifali Mittal	Asstt. Professor
Dr. Preet Komal	Lecturer
Dr. Ramanpreet Kaur Sekhon	Lecturer
Dr. Taranpreet Kaur	Lecturer

Special teaching & learning programmes

CDE program on 'A TO Z OF ROTARY ENDODONTICS' on 5th December, 2020.

Research projects completed

1. A comparative premedication evaluation of post operative endodontic pain using NSAIDs and steroids with normal saline and intracanal cryotherapy- an in vivo study.
2. A comparative evaluation of effect of different intracanal medicaments on postoperative pain in single rooted non vital teeth- an in vivo study.

EVENTS ORGANIZED & FACULTY PARTICIPATION

The department organized a series of webinars for students and delegates all over india during the lockdown period with over 500 plus participation to continue with the process of learning.

Faculty participation in all webinars:

Dr. Sunandan Mittal- Organizing Secretary

Dr. Tarun Kumar- Chief Convener

Dr. Vanita Keshav- Moderator

Webinar on 'Step by step routine endodontic therapy' by Dr. Vivek Hegde on 6th June, 2020.

Webinar on 'Let's see what we do – magnified' BY Dr. Anuj Bhardwaj on 10th June, 2020.

Webinar on 'Accurate diagnosis and appropriate management of luxation injuries' by Dr. Ajay Logani on 13th June, 2020.

Webinar on 'Gold restorations: an evidence based approach' by Dr. Sathyanarayana on 27th June, 2020.

Webinar on 'Impact of root canal anatomy in treatment outcome' by Dr. Jojo Kottoor on 30th June, 2020.

BESTPRACTICE

Best practicing part of the department is microscopic endodontics and cosmetic dentistry

Case Distribution

Total Cases	3135
Root canal treatment	1012
Restorations	431

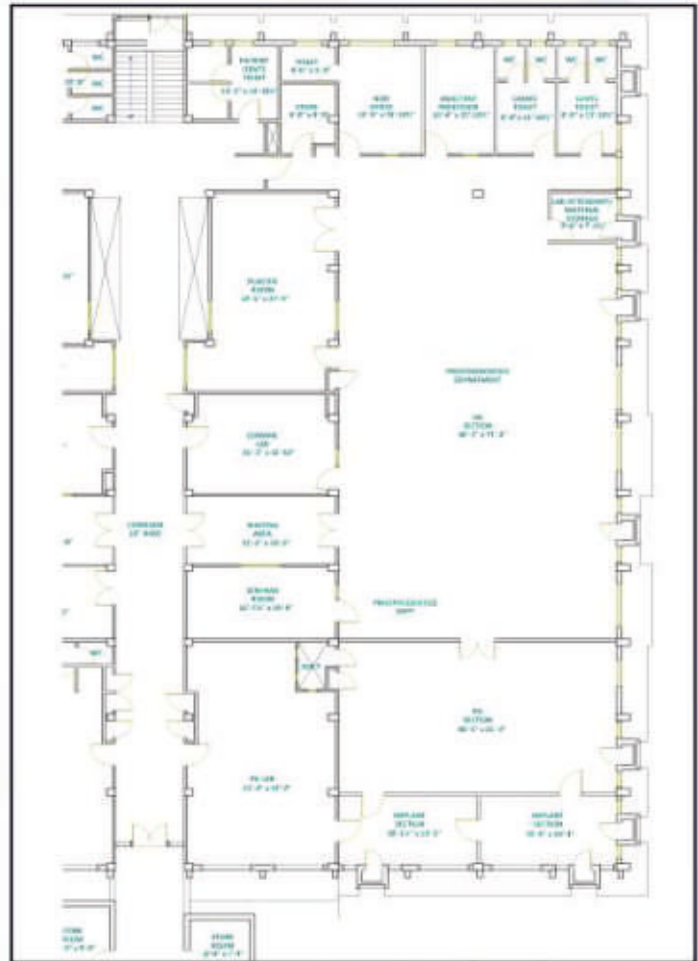

DEPARTMENT OF PROSTHODONTICS & CROWN & BRIDGE & ORAL IMPLANTOLOGY

OVERVIEW OF THE DEPARTMENT

Prosthodontics is one of nine specialities being offered at the prestigious institute of DIRDS. The speciality is recognized for the diagnosis, treatment planning, rehabilitation and maintenance of oral function, comfort, esthetics and health of patients with clinical condition associated with missing/deficient teeth or maxillofacial tissue using biocompatible substitutes. The academics include classroom lectures, seminars, pre-clinical and clinical instructions in fixed prosthodontics, complete denture prosthodontics, removable partial prosthodontics, maxillofacial prosthetics, implant prosthodontics, dental anatomy, morphology, occlusion, dental material and biomaterial for doctrinal programme. The didactic program here provides a standard training in prosthodontics. The environment here enables each resident to face the challenges of the future and emerge as refined prosthodontists. The guides utilize in-depth knowledge of classic and contemporary prosthodontics and competency in the surgical placement of dental implants. The residents are made aware of the latest techniques and present scenario of digitization. The yearly celebration of the 'Prosthodontist day' brings more enthusiasm and charm. It is team work that grounds the successful completion of the event.

DEPARTMENT LOCATION IN THE INSTITUTION

Department of Prosthodontics is situated at the ground floor and is marked as No. 8 department.

DEPARTMENT OF PROSTHODONTICS

List of services offered

1. Conventional complete denture prosthesis
2. Removable denture prosthesis
3. Fixed denture prosthesis
4. Interim acrylic dentures
5. Cast partial dentures
6. Tooth supported overdentures
7. Implant supported overdentures
8. Immediate denture
9. Post and core/ crown
10. Dental implants
11. Cosmetic dentistry
12. Special needs of geriatric patients
13. Children born with cleft palate or missing teeth
14. Temporomandibular joint syndrome
15. Snoring and sleep disorders
16. Maxillofacial prosthesis (ocular, orbital, auricular, nasal)
17. Obturators
18. Denture repair (relining and rebasing)

Dr Pardeep Bansal- Add on responsibility:

Member- NAAC & NABH, Anti-ragging, Vishakha committee, Institutional ethical committee, Sports & Cultural, Purchase committee, Stock verification, Incharge of CPC

Member- Editorial Journal of Stomatognathic Science

Publications

1. Essix Appliance: An innovative Modification for use as Temporary Bridge – A Case Report. *Journal of Advanced Medical and Dental Sciences Research*.
2. Improving denture retention in resorbed mandibular ridge by recording existing sublingual crescent area – A Case Report. *International Journal of Health and Allied Sciences*
3. Current perspectives of bioactive materials in implants: A Systematic Review. *Journal of Advanced Medical and Dental Sciences Research*

Dr Poonam Bali- Add on responsibility

Member- Antiragging, Seating, Sports & Cultural committee, Reception Committee, Stock Verification, Hostel Superintendent of Bebe Nanki Hostel. Mentor; Mentor of BDS 2ND Year students

Publication

Improvised impression method to record defective maxillary alveolar ridge after tumor resection using pneumatic approach followed by total rehab. *International Journal of Dental Sciences and Innovative*

Dr. Rajnish Bansal- Add on responsibility:

Member- Discipline Committee, Cultural committee, Stock Verification, Head Incharge of ECHS Empanelment, Attendance incharge of 2ND Year BDS

FACULTY

Name	Designation
Dr. Pardeep Bansal	Professor & HOD
Dr. Poonam Bali	Professor
Dr. Rajnish Bansal	Professor
Dr. Asmita Sodhi	Asstt. Professor
Dr. Manpreet Kaur	Asstt. Professor
Dr. Paras Arora	Asstt. Professor
Dr. Itanshu	Asstt. Professor
Dr. Shanta Chopra	Asstt. Professor
Dr. Navnaaz Kaur	Lecturer
Dr. Navjot Kaur	Lecturer
Dr. Jagmeet Singh	Lecturer
Dr. Anmol	Lecturer

Dr. Asmita Sodhi**Honour & Awards**

Won a special E-POSTER Award in an E-POSTER Competition conducted by Indian Prosthodontic Society, Punjab State Branch

DEPARTMENT OF PROSTHODONTICS

SPECIAL TEACHING AND LEARNING PROGRAM

All faculty members have been successfully awarded with eligibility certificates on basic E-Learning course conducted by MEU India Group from September 1, 2020 to September 31, 2020.

EVENTS ORGANISED AND FACULTY PARTICIPATION

Mega dental camp organised in the memory of Sri Guru Nanak Dev Ji 550th birth Anniversary from 26th Nov 2020 to 29th Nov 2020. Total number of 127 patients were clinically examined in this mega camp. About 119 patients reported for treatment in the department and were treated satisfactorily.

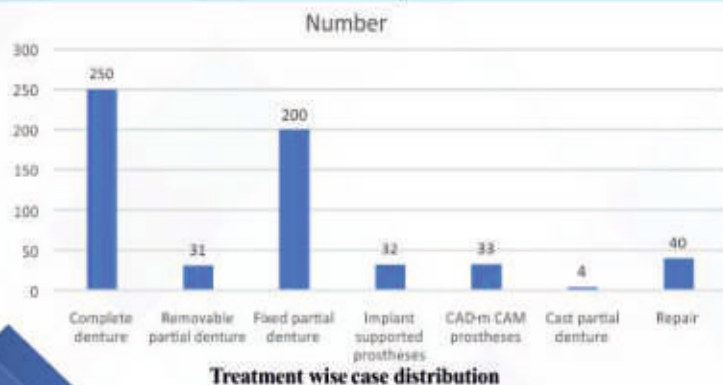

1 day CDE cum Hands on Workshop on Lab Procedures in FPD was organized on 4th Feb 2021.

BEST PRACTICES

- Patients with ill-fitting denture may seek either implant supported overdenture or full arch implant rehabilitation (FAIR Technique). Patients who have missing anatomical structure in maxillofacial region can receive maxillofacial prosthesis and regain the confidence.
- The higher accuracy and quality of prosthesis is provided on patient's demand with CAD CAM which also includes, zirconia crowns. Precision attachments are the other best part being practiced. These are alternative treatment plan to clasps in removable partial denture therapy, which gives both esthetic and functional outcome. Apart from above mentioned, various stents (surgical, nasal, trismus, radiation, medicament carrying stents, compression stents) are included among best practices.

FUTURE PROSPECTS

- Keep targeting at interactive teaching strategies and explore other new teaching methodologies.
- To launch interdisciplinary workshops to improve and progress.
- Digitization of department with cad cam, spectrophotometer.
- To direct towards "Evidence based dentistry".

DEPARTMENT OF GENERAL SURGERY

OVERVIEW OF THE DEPARTMENT

Department of General Surgery deals with injuries such as traumatic brain injuries, road side accidents, multiple acute surgical emergencies like acute appendicitis, acute cholecystitis, acute renal obstruction, urine retention due to prostate stone. It also deals with emergency management, pre-operative, peri-operative and post-operative assessment of patients. In last 6 months, 200 major and 200 minor surgeries have been performed successfully.

SUB SECTIONS

The department of General Surgery is situated in the premises of Dasmesh Hospital. It has major OT, minor OT, septic OT, recovery room and ICU.

FACULTY

Name	Designation
Dr. Roshan Lal Taneja	Professor
Dr. Tony Kataria	Assoc. Prof.
Dr. Gazi Uzair	Assist. Professor
Dr. A.P.S. Kocher	Lecturer

DEPARTMENT OF ORAL & MAXILLOFACIAL PATHOLOGY

OVERVIEW OF THE DEPARTMENT

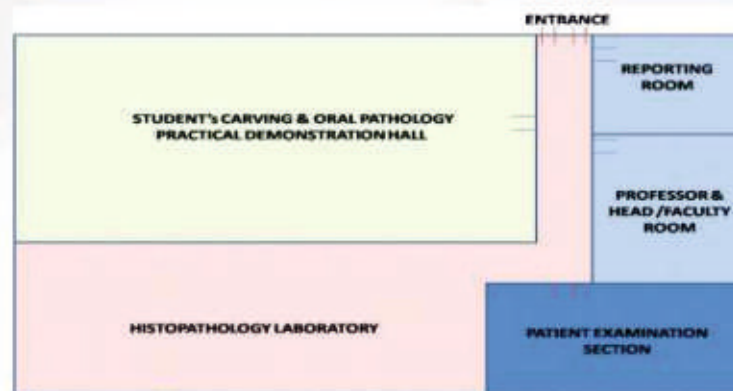

Oral and maxillofacial pathology is the specialty of dentistry and pathology that investigates the cause, nature, process and effects of the diseases affecting the oral and maxillofacial regions. Department of Oral & Maxillofacial Pathology in Dasmesh institute of Research and Dental Sciences functions with a mission statement of creating the department as center of excellence in oral pathology and microbiology. The department was established in 1992 with an aim of academics and research programme, and also more importantly department provides services to the patients by diagnosing the biopsied specimens and forensic investigations.

This department does have good infrastructure and composed of experienced eminent faculty members, spacious undergraduate practical section, and well equipped clinical and histopathological laboratory for teaching & training for 100 undergraduate students. Apart from teaching oral pathology for third year BDS students, department is also involved in training the first year BDS students in oral biology, a composite of basic Dental Sciences & their clinical applications which includes instructions in the subject of Dental Morphology, Oral Embryology, Oral Histology and Oral Physiology. This is essential for understanding the histological basis of various dental treatment procedures.

DEPARTMENT LOCATION IN THE INSTITUTION

Department of oral pathology is situated at the first floor of Dasmesh hospital block. Department is having students carving and oral pathology practical demonstration hall with a seating capacity for 100 students, adequate number of binocular and monocular microscopes for undergraduate student training, spacious histopathology laboratory having facilities for Macroscopy, manual tissue processing unit, wax impregnation unit, along with routine and special staining facilities. Department is also having two dental chairs for clinical examination of the oral lesion.

FACULTY

Dr. Thippeswamy SH	Professor & Head
Dr.Harkanwal Preet Singh	Associate Professor
Dr.Piyush Gandhi	Associate Professor
Dr. Prabhteshwar Singh	Lecturer
Dr. Tejisve Noor Kaur	Lecturer
Dr. Satwant Singh	Lecturer
Dr. Parneet Kaur	Lecturer
Dr.Neha Kapoor	Lecturer

LIST OF SERVICES OFFERED•

- Histopathological examination of soft tissues
- Histopathological examination of hard tissues
- Cytopathological examination
- Decalcification of hard tissue specimens
- Ground sections tooth specimens
- Photomicrography of the microscopic slides
- Promoting research activities

DEPARTMENT OF ORAL & MAXILLOFACIAL PATHOLOGY

• Dr.Thippeswamy S.H. MDS, Professor & Head – Add on Responsibilities

- Chairperson- Admission cell of the institution
- Basic Medical Scientist (Ethical Committee) DIRDS
- Editor in Chief the annual year book- The Kaleidoscope
- Member– DACDE , NAAC Core Committee, Institutional Board Studies , Academic Council of the institution , Publication Committee , General & Academic Grievance committee

DEPARTMENT OF ORAL & MAXILLOFACIAL PATHOLOGY

DISTICTION HOLDERS

- Gurjit Singh of the third BDS Student secured the distinction in 2020 BFUHS examination.

EVENTS ORGANIZED

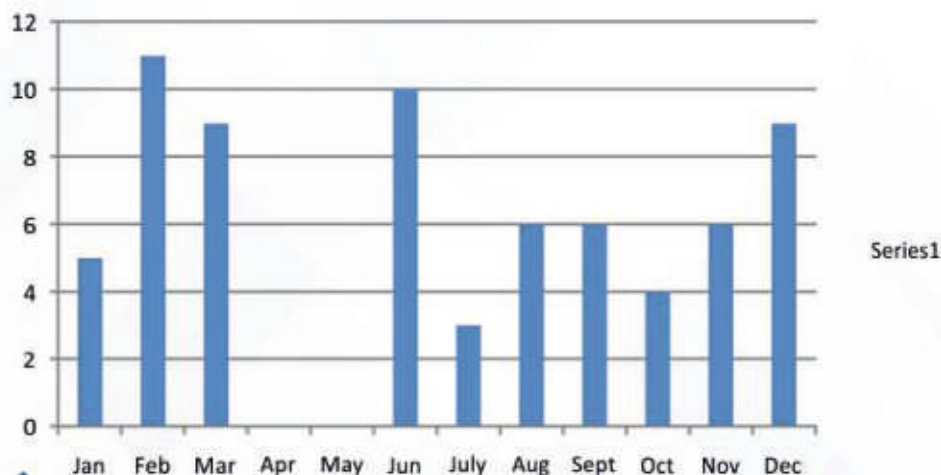

STUDENTS QUIZ COMOPETITION ON ORAL PATHOLOGIST DAY

Celebrated first National Oral Pathologist Day on 25th February. This day was celebrated by organizing separate quiz contests for interns and third year BDS Students. 58 Interns and 84 third year BDS students participated actively in this quiz competition

FUTURE PROSPECTS

- Setting up State-of-Art Immuno histochemical Laboratory
- Academic Collaboration with other research institutes
- Tele Oral Pathology Centre for Online Referral

Month wise BIOPSY Details

DEPARTMENT OF PHYSIOLOGY

OVERVIEW OF THE DEPARTMENT

The department of Physiology at DIRDS is well staffed and fully equipped as per the DCI norms. The faculty are highly qualified, keenly motivated and experienced. There are two labs in the department, one for Haematology and one for Experimental Physiology. Both are supplied with all the equipment as per the DCI requirements. In addition, there is facility to provide reference books for students. Lectures are taken in the state of the art lecture theatre. The faculty employ various teaching methodologies for benefit of students and are also involved in research and academic development. The students are taught by didactic lectures as well as using clinical Practicals. The curriculum is according to the DCI syllabus as well as the required cellular physiology and systemic physiology related to the topic is also encompassed. Comprehensive revision classes are taken along with model exams set according to the University exam pattern. The faculty in the department are attuned to students' learning needs and have many national and international publications. Tutorials and viva are conducted periodically to assess the students. There is continuous high pass percentage and scoring of distinctions by the students in the subject in the University examinations.

FACULTY

Name	Designation
Dr. Ruchita Vasudeva	Professor & HOD
Dr. Khushdeep Singh Arora	Professor
Dr. Parveen Kumar	Lecturer

Distinction Holders for 2020:

- Jaismeen Sondhi
- Chandna
- Harman

DEPARTMENT OF HUMAN ANATOMY

OVERVIEW OF THE DEPARTMENT

An Human Anatomy is one of the basic subjects of first year BDS, for studying the structure of human body and its organs in detail. The Anatomy department of DIRDS is providing best knowledge of the subject in theoretical as well as practical aspects. We develop and constantly adopt new ideas in teaching methodology to make this subject more interesting.

INFRASTRUCTURE

Dissection Hall- In this, human body is dissected and the students are taught on the dissected parts. The department has 8 cadavers. **EMBALMING ROOM-**It is well equipped for embalming bodies. **COOLING CHAMBERS-**One cooling chamber with two compartments, for preserving dead bodies.

The Museum- Our museum is state of art. We have wet specimen of almost all the parts & areas of human body. Articulated & disarticulated skeletons are provided for better perception of the skeletal framework of body. Model section is equipped with various plastic models. **HISTOLOGY LAB-** The lab provides microscope to each student. Department has histological slides of all types of tissues.

DEPARTMENTAL LIBRARY- It has all variety of books. **BOOK BANK:** We are working on the plan to start a Book bank in which students & faculty members can donate their books which will be used by others students.

Dr. Anupma Gupta – Awards and Honours

Member - Editorial board- Indian journal of Clinical Anatomy and Physiology.

Awards- Appreciation letter-from DC office, faridkot
National builder award- by interact club rotary west

Dr. Harmesh Mittal- Awards and Honours

BOLT Award as Best teacher - By Air India and Tribune.

Ms. Vaishali Gandhi-Publications

There is continuous high pass percentage and scoring of distinctions by the students in the subject in the University examinations.

FACULTY

Name	Designation
Dr. Renuka Sood	Professor & HOD
Dr. Rajni Kumari	Professor
Dr. Parminder Kaur	Lecturer

DEPARTMENT OF MICROBIOLOGY

OVERVIEW OF THE DEPARTMENT

Department is adequately equipped. Faculty is highly qualified motivated and experienced. There is one lab with essential equipments eg. microscopes, autoclave, oven, incubator filters, parasites, virus models. Lectures are taken in the state of art with power points and animations. Students are taught by didactic lectures as well as practical. Faculty in the department have national and international publications. Syllabus taught is strictly as per DCI norms that includes general microbiology, sterilization techniques, Immunology, bacteriology, parasitology, Mycology & Infectious Syndromes. In addition there is facility to provide reference books for students. Tutorials and viva are conducted to assess the students. There is high pass percentage and scoring of distinctions by students in the subject in university examination. Department of Microbiology is situated at the first floor of Dasmesh hospital block

FACULTY

Name	Designation
Dr. Virendra Singh	Professor & HOD
Dr. S. S. Brar	Lecturer
Dr. Vijaydeep Kaur	Lecturer

Infrastructure & Services offered

1. Clinical samples are investigated for viral markers of HBV, HCV, HIV, VDRL, Widal.
2. Department has developed special facility for COVID 19 testing. Rapid Antigen Test is done, samples are sent to state laboratory for RT PCR.

Student Performance - Distinctions

- Amandeep Kaur
- Smile Monga

DEPARTMENT OF GENERAL PATHOLOGY

Name	Designation
Dr. Y.P. Kansal	Professor & HOD
Dr. Ramesh Chander Garg	Lecturer
Dr. Brijinder Singh	Lecturer

DEPARTMENT OF PHARMACOLOGY

OVERVIEW OF THE DEPARTMENT

The Department of Pharmacology is committed to high quality teaching of Pharmacology to undergraduate and postgraduate students from Dental and Paramedical Specialties. The department work enthusiastically with immense passion for teaching by dynamically involving in several academic activities such as regular seminar presentation by undergraduate students. There is well-equipped Air-Conditioned Lecture Hall with high quality of Audio-Visual Facilities. The department have reference books for the students. The Pharmacology laboratory is well equipped according to the DCI norms. The department have well trained technicians and staff.

Name	Designation
Dr. Joginder Ram	Professor & Head
Ms. Sukhpreet Kaur	Assoc. Professor
Dr. Sukanya Hamirwasia	Lecturer
Dr. Navjot Kaur	Lecturer

Dr. Sukhpreet Kaur- Publications

- Sukhpreet Kaur, Seerat Gill, Namita Bhardwaj, Rajinder Kaur. Mitigating the impact of COVID-19 through technological interventions-Is India legally equipped: Aarogya app case study will be published in Medico-Legal Update vol. No. 21(2) April 2021.
- Kaur S. Generic prescribing in India: a stumbling block. Int J Res Med Sci 2020;8:3426-31.
- Kaur S. Assessment of knowledge, attitude and practice of generic medicines among the interns and post graduate dental students: comparison with medical practitioners. Int J Basic Clin Pharmacol 2020;9:1398-404.

Research Project - Barriers to adoption of Generic Medicines in Clinical Practice in India

This study is conducted to identify the barriers in adoption of generic prescribing in clinical practice in India and to explore the knowledge, attitude and practice of dental students towards the generic medicines
