Parent teacher meeting (PTM) Action taken reports and outcome analysis

Issues raised in the PTM in the last 5 years and outcome analysis (action taken reports) are summarized as below,

ISSUES DISCUSSED

- Few first year students were depressed because not getting the course of their choice
- Few students of first year students were had issues with homesickness
- Few students with difficulty in adjusting to the hostel food
- Few students found difficulty in understanding the course
- Few students reported with laungage problems
- Few students found difficult to complete the quota
- Few students reported with medical issues

ACTION TAKEN

- Proper counselling of the students are taken for the issues related to homesickness, and unable to focus because of not getting admission in MBBS
- Freshers party including cultural and dance party after the orientation programmes are organized to get adjusted to the new environment
- Ragging awareness abd helpline numbers are dispalyed at key areas to to build positive mindset of fresh students
- Remedial classes are arranged for slow learners
- Using the local laungage or hindi to make the subjects understand for students having laungage difficulty
- Regular conduction of mentor-mentee programmes for regular monitoring of the students performances
- Meetings with the mess contractors regarding the hostel food issues to improve the quality as per the students requirements

OUTCOME ANALYSIS

- Institution observed positive mindset and better focus among students towards the course
- Ability to score better marks in the final university exams
- Students were able to complete projects in time
- Few students with english laungage issues joined english classes outside after the college timings
- Adjusting positively to the BDS course by understanding scope of the course
