REPORT OF E-LEARNING TRAINING FOR FACULTY

Pandemic COVID 19 Period was really challenging for any academic institution as it was the time when connecting students and teachers was possible only by means of digital platform. Considering the need of the situation DIRDS took the initiative to train all faculty members in the field of E-learning and to make our faculty completely efficient to reach our students by means of all available virtual learning platforms.

MEU INDIA aims at connecting the teachers and students on a digital platform for the purpose of education and learning. Implementing the concepts of tele- education and tele-medicine. So in order to fill up the gaps in knowledge scenario of the health system, Dasmesh institute of research & Dental Sciences, Faridkot, organized an online course for dental faculty members of college from MEU INDIA. The course was conducted completely online using the GOTO Webinar and Zoom and Google meet technology. About 35 lectures were held over a period of 4 months. Starting from 3rd September 2020 to 31st December 2020

This course made all faculty members more familiar and comfortable in using e- learning resources and e – learning management systems. Moreover, during the COVID 19 pandemic institution was quick to adopt the digital platform for teaching through ICT enabled tools like ZOOM, Google meet and Google Class room learning management systems in teaching methodology. All the post graduate seminars, discussions, assignments and regular interdepartmental meets are all performed through online teaching methods. Institution also organized live interactive sessions from nation renowned speakers through webinar.
