## **Annual Report 2019- 2020**

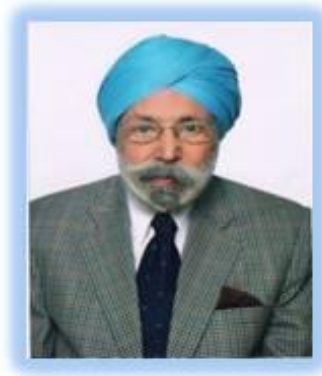

Completing Twenty eight years for an institution is a worthy stage where one can start matching expectations with results, objectives with achievements and above all, blessings enjoyed with difficulties & hardships endured! Dasmesh Institute of Research & Dental Sciences, Faridkot has emerged a premier Dental Institution with difference, a promising institution of the country providing value added, quality education in Dentistry, and an institution marching towards excellence!

It is often said “Perfection is not attainable but if we chase perfection, we can catch excellence” Yes, every school and college strives for excellence. So do us, at DIRDS with the Vision “To Establish an Excellent, Value-based Educational Hub to Meet the Challenges of Global Competitiveness”,

I have no words to thank our President S. Gurdev Singh Brar, IAS (Retd.), S. Kuldeep Singh Gill, Vice President & Director Dr. Gursevak Singh, S. Jasbir Singh Sandhu, General Secretary, S. Swaranjit Singh Gill, Treasurer & Joint Director, S. Amarjit Singh Doad, Joint Secretary and other eminent members of the management for their constant support and guidance.

**TRIBUTE TO**

**A HOLY MAN WITH EXEMPLARY VISION; THE MESSIAH OF SANGAT SAHIB BHAI PHERU SIKH EDUCATIONAL SOCIETY – LATE.S.KARNAIL SINGH DOAD**

**LATE.S.KARNAIL SINGH DOAD (28-03-1926 to 21-04-2019)**

**Late** S.karnail Singh Doad was a distinguished advocate, political leader, philanthropist, educationist and social worker. He served as M.L.A, Faridkot and also **was the founder secretary of** Sangat Sahib Bhai Pheru Sikh Educational Society.

**He was a** revered man, who dreamt big and went after his dream with an iron will; his **foray into education had just one aim – to enlighten young minds for the growth of society and nation. Under his visionary leadership later** Sangat Sahib Bhai Pheru Sikh Educational Society started its educational services by starting khalsa school, **the foundation of the school was laid by him with the sole aim of providing quality education to students coming from varied socio-economic and cultural backgrounds, inspired by the success of khalsa school,** Sangat Sahib Bhai Pheru Sikh Educational Society extended its educational services by opening Dasmesh Public School, Faridkot; further Dasmesh Global School in kotkapura and Bargari and extended further into medical education by starting Dasmesh Institute of Research and Dental Sciences in the year 1992, followed by Dasmesh College of Physiotherapy, Nursing and Pharmacy colleges at Faridkot.

**He was true “karmyogi”- in true sense** messiah of Sangat Sahib Bhai Pheru Sikh Educational Society. **He sacrificed his whole life for the cause of the education and for the poor and down trodden. When his health was not allowing him to work actively for the society, he just handed over his president ship to the most deserving senior vice president, S.Gurdev Singh Brar, I.A.S (Retd) as per protocol, a rarest example seen in today’s protocol.**

This institution is a living model of the rich legacy left behind by him. Board of governors of Sangat Sahib Bhai Pheru Sikh Educational Society, Principal, Staff and Students of this great centre for education salute the immortal soul.

I have no words to thank our worthy president S. Gurdev Singh Brar IAS (Retd), for constant encouragement and support, and indeed he is an indescribable personality – so pure, so patient, so humble and so wise...we are blessed to have a leader of such calibre. I am also grateful to our Sr.Vice president S.Kuldeep Singh Gill, Director Dr. Gursevak Singh, Joint Director S.swaranjit singh Gill, General Secretary S. Jasbir Singh Sandhu & Joint Secretary S. Amarjit Singh Doad and all other members for their commitment and conviction towards the society. I am proud of my dedicated faculty, staff and dearer students for being co-operative, helpful and contribution to the growth of the institution.

Though we are proud of our many successes, we cannot be satisfied by simply resting on our laurels. It is our mission to strive higher. No matter how many goals we reach along the way, the true and unfatigueable spirit of lifelong progress runs through the core of our mission.

Thank you ....
