Editorial

DIRDS has been a pioneer institution in Punjab imparting the knowledge of Dentistry & its specialization since 1992. I am a proud DIRDIAN & an alumni of its first batch of BDS. It gives me immense pleasure to bring out the first edition of the "DIRDS ALUMNI DIRECTORY". Since the history of this institution goes back to 1992, therefore we will be celebrating the Silver Jubilee this year. It required a lot of effort by all present & past alumnus of this institution to gather information about all the batches of BDS & MDS that have passed out from this great institution. We achieved this by physically searching the records of the old batches, trying to get details of batch mates, seniors, juniors of alumni currently working as faculty in DIRDS, and last but not the least the social media played an integral part too.

Although a lot of efforts have been made by us to verify names, phone numbers, email id, address & present occupational status of all alumni mentioned in this directory, I apologize for any errors which might have inadvertently crept in this directory. These errors will be corrected in the subsequent editions after getting inputs from all the alumnus.

We hope that this directory will help the alumni in getting closer together.

Dr. Anita Mehta
