

## SATELITE CENTRES RUN BY OUR INSTITUTION

Public Health Dentistry Department focuses on the science and art of preventing and controlling dental diseases, and promoting dental health through organized community efforts. Department is actively involved in dental camps and awareness programs specifically targeting rural population and school going children and has acquired 1 state of art air-conditioned mobile dental vans equipped with most updated instruments and gadgets. Our mobile dental unit (MDU) also helps in this endeavour of providing oral health care to the underserved in the rural areas. To further reach the underserved areas college has adopted satellite clinic at various villages. The details are as follows:
