LIBRARY USAGE BY TEACHERS AND STUDENTS

The Central Library takes an active part in the orientation programme organized by the institute for the benefit of new students in the beginning of academic year. They are taken around the library to familiarize them with various resources and services available for them. Training sessions are also organized whenever a new product or service is introduced. Any user desiring to know more about library resources and service or to learn how to use a particular resource like OPAC, e-books, etc. should contact In-charge Librarian. Central Library also organizes training, workshops to enhance knowledge of librarians.
