Both terms "OPERATOR" and "OCCUPIER" are as defined in Bio-Medical Waste (BMW). Management Rules 2016 as per MoEF notification dated 28th March 2016 along with amendment dated 16th March 2018 hereinafter called "BMW RULES",

Whereas the "OPERATOR" is the owner of Common Bio-Medical Waste Treatment Facility at Bidowali, Distt. Shri Muktsar Sahib and has obtained authorization from Punjab Pollution Control Board (PPCB) to operate this Facility for Treatment of BMW of Healthcare Facilities (HCF) and other units of Punjab.

Whereas OCCUPIER is a HCF or a unit generating BMW and agrees to avail the services being provided by OPERATOR for collection, transportation, treatment and disposal of BMW at terms and conditions as listed in succeeding paras.

RESPONSIBILITIES OF OPERATOR

1. OPERATOR shall meet all rules and regulations stipulated in BMW RULES after collection of waste and shall be liable for any improper handling and management thereafter except proper segregation and quality of bags / containers. The OCCUPIER shall remain liable for any improper segregation as per color coding even after waste reaches the facility.

In case OPERATOR vehicle fails to collect the BMW within 48 hours of the designated time the OCCUPIER shall inform the OPERATOR at its HCF Panel of Codeland Software or via e-mail at medwaste.sol.pvt.ltd@gmail.com or at 97000-98151, who will ensure to strictly collect the BMW within the next 24 hours. There shall however

 Director
 Faridkot Hospital
 Faridkot

- be no deduction in payment for missed days as waste for these days shall be collected on the following day.
- OPERATOR shall collect the segregated Bio-Medical Waste from a single identified common waste collection site in the premises of OCCUPIER where vehicle of OPERATOR can reach. OPERATOR can refuse acceptance of improperly segregated waste in bags without bar codes stickers or not delivered at a convenient identified place.
 - OPERATOR will not be liable if the OCCUPIER violates any of the terms and conditions of its authorization or proper segregation of waste at source as prescribed in BMW RULES.

RESPONSIBILITIES OF OCCUPIER

- All consumable like plastic bags, needle cutters, disinfectants etc, shall be procured by the OCCUPIER at its own cost. OPERATOR is committed to supply the same on demand at standard rates as fixed by It. OPERATOR can refuse plastic bags / containers if these are not conforming to BMW RULES or as prescribed by PPCB.
 - The bags used for collecting waste shall be non-chlorinated plastic material with name of OCCUPIER and OPERATOR or manufacture printed / written on it as schedule III & IV of BMW RULES.
 - The OCCUPIER shall establish a single common secured waste collection site within its premises for collection and final disposal to the OPERATOR and shall designate a "Nodal Officer" to interact with the OPERATOR.
 - All bags shall be sealed tightly by OCCUPIER with bar code stickers pasted properly so that it does not peel off till re-scanned at CBWTF site and OPERATOR will collect the sealed bags only at a secured designated point in the premises of the OCCUPIER.
 - The OCCUPIER shall disinfect the sharps and mutilate them before handling them over in puncture proof and spill proof containers of the OPERATOR. Similarly all blood bags, urine bags, bottles, vials etc. shall be emptied any liquid in them. Rubber gloves shall also be cut with scissor before giving for treatment.
 - The OCCUPIER shall be solely responsible for number of beds mentioned in this agreement at S. No. 2 of "Term of Membership & Payment" and as being declared to OPERATOR which must be the same for which the authorization is proposed to be got from PPCB and beds as actually installed. The OCCUPIER shall inform OPERATOR and PPCB prior to any proposed change in the number of beds, OPERATOR's representative shall be allowed to inspect/ check the bed strength installed at HCE at any time during the period of Agreement.
 - The OCCUPIER shall inform in writing to the OPERATOR in writing if it's establishing has been closed or shifted. The monthly charges shall continue uptill closure letter is received and the same has been authorized by PPCB.
- As per instructions of PPCB, this agreement stands cancelled automatically if the OCCUPIER doesn't submit copy of PPCB authorization to the OPERATOR within 3 months of signing of this Agreement.

TERMS AND MEMBERSHIP AND PAYMENT

1. The OCCUPIER shall pay a membership Registration Fee of Rs. ^{500/-} 500/- for fresh agreements and Rs. 500/- PER YEAR for renewals against proper receipt which is a non-refundable charge. GST 18% shall be extra. Re-start of services shall be subject to a charge of Rs. 1,500/- addition to the amount due including late fee.
2. The payment charges to be paid to the OPERATOR by the OCCUPIER shall be reviewed every 1st January with Minimum 7% Increase each year or from date and rate as decided by PPCB from time to time, whichever is less.
3. Payments that are not made by the 7th shall be charged a late fee @Rs. 25/- a day up to 25th of the month.
4. OPERATOR shall stop collecting BMW from OCCUPIER if payments are not received by 25th of the month with information to PPCB.
5. All taxes whether applicable at time of Agreement or levied later on during the agreement shall be in addition to payment charges and shall be payable by the OCCUPIER.
6. ALL PAYMENT SHALL BE against a proper receipt of OPERATOR. All bounced cheques shall be charged at Rs. 500 plus GST.
7. Any dispute arising out of this agreement shall be subject to the jurisdiction of Shri Muktsar Sahib Courts.

In witness whereof the parties hereto have set their hands to these presents on this date as above mentioned.

TERMS AND CONDITIONS

A. GENERAL CONDITIONS

1. This authorization is issued for _____ number of beds. For any increase in number of beds, the applicant shall obtain prior permission of the Board.
2. The Medical Institution / Health Care Facility shall apply for the renewal of authorization at least 2 months before the expiry of this authorization.
3. The Medical Institution / Health Care Facility shall comply with the provisions of the Environment (Protection) Act, 1986 as amended from time to time and the rules made there under.
4. The authorization and all relevant records shall be produced for inspection on the request of an officer of prescribed authority.
5. The HCF shall take all necessary steps to ensure that bio-medical waste is handled without any adverse effect to human health and the environment and in accordance with these rules;
6. The HCF shall make a provision within the premises for a safe, ventilated and secured location for storage of segregated biomedical waste in colored bags or containers in the manner as specified in Schedule I, to ensure that there shall be no secondary handling, pilferage of recyclables or inadvertent scattering or spillage by animals and the bio-medical waste from such place or premises shall be directly transported in the manner as prescribed in these rules to the common bio-medical waste treatment facility or for the appropriate treatment and disposal, as the case may be, in the manner as prescribed in Schedule I.
7. The HCF shall pre-treat the laboratory waste, microbiological waste, blood samples and blood bags through autoclaving/microwaving and then sent to the common bio-medical waste treatment facility for final disposal. The HCF shall maintain a logbook of operation of Autoclave.
8. The HCF shall phase out use of chlorinated plastic bags, gloves and blood bags as mentioned in the Rules;
9. In case the HCF purchase color coded bag from open market, it shall get the testing certificate from CIPET Lab, Amritsar regarding absence of chlorinated material in it. However, if it is procured from CBWTF operator, the HCF shall obtain the test certificate from CBWTF operator.
10. The HCF shall dispose of general waste other than bio-medical waste in green bin.
11. The HCF shall not dispose bio-medical waste with municipal solid waste;
12. The HCF shall provide training to all its health care workers and others, involved in handling of bio medical waste at the time of induction and thereafter at least once every year and the details of training programmes conducted, number of personnel trained and number of personnel not undergone any training shall be provided in the Annual Report;
13. The HCF shall immunise all its health care workers and others, involved in handling of bio-medical waste for protection against diseases including Hepatitis B and Tetanus that are likely to be transmitted by handling of bio-medical waste, in the manner as prescribed in the National Immunisation Policy or the guidelines of the Ministry of Health and Family Welfare issued from time to time;
14. The HCF shall ensure occupational safety of all its health care workers and others involved in handling of biomedical waste by providing appropriate and adequate personal protective equipments;
15. The HCF shall conduct health check up at the time of induction and at least once in a year for all its health care workers and others involved in handling of bio- medical waste and maintain the records for the same;
16. The HCF shall ensure segregation of liquid chemical waste at source and ensure pre-treatment or neutralisation prior to mixing with other effluent generated from health care facilities;
17. The HCF shall ensure treatment and disposal of liquid waste in accordance with the Water (Prevention and Control of Pollution) Act, 1974 (6 of 1974).
18. The HCF shall obtain consents under the provisions of Water (Prevention & Control of Pollution) Act, 1974 and Air (Prevention & Control of Pollution) Act, 1981.
19. The HCF shall maintain and update on day to day basis the bio-medical waste management register and display the monthly record on its website according to the bio-medical waste generated in terms of category and colour coding as specified in Schedule I. All the record shall be subject to inspection and verification by the Prescribed Authority /authorized person at any time. The record shall be maintained for a period of 5 years.
20. The HCF shall report major accidents including accidents caused by fire hazards, blasts during handling of biomedical waste and the remedial action taken and the records relevant thereto, (including nil report) in Form I to the prescribed authority within 24 hours and also along with the annual report;.
