b) TRANSPORT

- a) The Contractor shall provide emergency services from the scene to the appropriate health facility or other location for all persons in the county, regardless of ability to pay.
- b) The Contractor will transport demised persons to appropriate health facilities. When possible, a non-ALS unit shall be used for transport.

c) COMMUNICATIONS EQUIPMENT

- a) The Contractor shall supply and maintain fully operational vehicle.

d) NOTIFICATION

The Contractor shall notify the Hospital Coordinator;

- a) The Coordinator shall be notified immediately, whenever the following occurs:
 - o Response time exceptions greater than 10 minutes; and
 - o Any single incident or accident requiring the response of three (3) or more ambulances; and
 - o Mass casualty incidents; and
 - o Any vehicle accidents involving a Contractor's vehicle; and
 - o Ambulance levels of three or less specific to the number of available ambulances.

e) RESPONSE TIME

- a) As used herein, the term emergency request shall include any response by the Contractor on an emergency request as called into Mehndiratta Hospital, including responses
 - o resulting in transportation of patients,
 - o resulting in no services being rendered or patients being transported, and
 - o the emergency request is cancelled after the lapse of the contracted response time 10 minutes). In each thirty (30) day period, (beginning on the first day of each month) and commencing on the first day of operations, not less than ninety percent (90%) of the Contractor's responses to emergency requests shall be performed in less than 10 minutes.
- b) If, in each thirty (30) day period, the Contractor fails to respond to emergency requests within the applicable performance requirement, as set forth above, it shall pay response damages set forth in.
- c) Response time exemptions. However, it is understood that on occasion unusual factors beyond the Contractor control affect the achievement of the required response time standards. For purposes of determining the Contractor's compliance with the response time standards as set forth herein, and for calculating damages in, every request for ambulance service shall be counted except as follows:
 - o Requests which are cancelled prior to the Contractor's arrival at the incident Location, but before the contracted response time has expired (10 minutes).
