(05.11.1945 - 25.05.2024)

S. Amarjit Singh Doad; our esteemed Vice President was a pillar of strength and wisdom within our society, and his loss leaves a void that cannot be filled. Before joining our society actively, he served Punjab State Mandi Board & retired as Distt. Mandi Officer. After superannuation he served the society selflessly. Throughout his tenure as Vice President, he exemplified dedication, integrity, and a deep commitment to our organization's values. His leadership was instrumental in guiding us through both challenges and triumphs, and his legacy will endure for years to come.

Beyond personal accomplishments, S. Amarjit Singh Doad was soft spoken, cool minded and a beloved friend. His kindness, warmth and sense of humour brightened the lives of all who had the privilege of knowing him. His absence will be keenly felt by all who had the honour of working alongside them. He leaves behind his wife, two daughters, one son and a legacy of love, kindness and generosity that will live on in the heart of all who knew him. He will always hold a special place in our hearts.

Message

As we step into this new academic year, filled with hope and dreams of scaling new heights, I wish to reiterate the importance of few things that we have to keep in mind. Parents should remember that children should not be forced, but should be guided to achieve whatever goals they may have in their minds in an easy and pleasing manner, so that we may be able to discover the particular touch of genius in each one of them. The purpose of education is to teach our children to think and develop a capacity to reason out facts. Students should keep in mind the importance of planning and prioritizing their time and the effective use of it which are essential to achieve success.

Students should always think and review - discover the cause and effect of every event, in which they are involved. Do not surrender or become a slave to youthful fancies and indulgences. Be steady in your studies. Learn to enjoy hard work - particularly your studies. Think wisely, think systematically. Always prepare yourself for next day's lesson. Be very serious and attentive in class. Preserve our heritage and environment for yourself as well as for your next generation. Always be a soldier to defend and preserve our traditions and our territory.

Over a decade-long life, this service oriented Institution has best academic, Dental training, co-curricular and sports environment as a result whereof its scholars have been winning laurels in all the fields of their evolvments like examinations, conferences & sports tournaments organized by the University and Dental Colleges located in & outside Punjab.

These miraculous attainments of this rather young Institution could not have been possible without the highly qualified, experienced, motivated and committed faculty ably headed, earlier by the founder Principals Dr. Manohar Singh, a renowned Orthodontist, by the Former Principals Dr. Malkiat Singh, the first-ever Oral Surgeon of Punjab, Dr. Neeru Singh, a renowned pedodontist and now headed by Dr. S.P.S. Dental college has been honouring Meritorious, Topper students of the BDS Course with Gold Medals and Certificates like Dr. Amarjit Singh Marwaha Gold Medal, Mrs. Kuljit Marwaha Gold medal, Dr. Manpreet Sidhu Memorial Gold Medal. Recently two more Gold Medals have been introduced in the memory of respected Dr. Pirthipal Singh, Retd. DHS Punjab and Amrik Singh Executive Director (GCE). Schools and colleges of the society have produced eminent persons like Gurwinder Singh Bedi, IAS, DC Tamil Nadu State & Dr. Bhandari, IAS West Bengal and Doctors, Engineers, Military officers, Multi Millionaire which are well known in India and abroad. The society with great enthusiasm has also started the Dasmesh College of Nursing, Dasmesh School of Nursing and Dasmesh College of Physiotherapy.
