100 Seats

GOVERNMENT OF PUNJAB
DEPARTMENT OF MEDICAL EDUCATION AND RESEARCH
(HEALTH III BRANCH)

To

The Chairman,
Sangat Sahib Bhai Pheru Sikh Educational Society,
Talwandi Road,
Faridkot – 151 203. (Punjab)

No. 2/38/07-3HB-III/6393
Dated Chandigarh, the: 24.09.2007

Subject: Essentiality Certificate.

Sir,

I. The desired certificate is as follows: -

1. No of Institute already existing in the State: **11**
2. No of seats available or No. of dental surgeons being produced annually: - **800**
3. No of dental surgeons registered with the State Dental Council. – **3604 (As on 31/12/2003)**
4. No of dental surgeons in Government service: **220**
5. No of Government posts vacant and those in rural / difficult areas: **82**
6. No of dental surgeons registered with Employment Exchange: **Nil**
7. Dental Surgeon population ration in the State: **1:7000 (As per registered figures). Punjab 2001 population being 2,42,89,296.**
8. How the establishment of the college would resolve the problem of deficiencies of qualified dental personnel in the State and improve the availability of such dental manpower in the State: - **The ratio as per the no of BDS registered with the Punjab Dental Council on the face of it appears to be all right but the real existing ratio is much less i.e. the no of Dentists is much less. A large number of Dentists have gone abroad. In fact most of the vacancies in Govt. hospital are due to migration abroad. There is a lot of demand for this course in the state.**
9. The restrictions imposed by the State Govt., if any, on students who are not domiciled in the State form obtaining admission in the State, be specified: - **The State permits 15% quota for the CBSE students. The students from Punjab have preferential rights of admission and students from other states are allowed admission only if students from Punjab are not available.**
10. Full justification for opening of the proposed college: - There are 4 strong reasons for allowing permission to this Society for opening a Dental College: (1) The number of Dental Surgeons is

Principal
Dasmesh Institute of
Research and Dental Sciences
FARIDKOT

much less as compared to the figures of Dental Council as explained above. (2) There is unemployment in the State and students prefer professional and medical courses so that their chances of emigration to other countries are enhanced. Resultantly there is huge demand for this course in the State. (3) The College is proposed to be located in the City of Faridkot which is about 70 Km from the Pakistan Border. Punjab shares about 500 Km length of border with Pakistan and there are only 2 other Dental Colleges (in Amritsar city at a distance of 150 Km from Faridkot). Punjab Govt. provides reservation of 1% for students of these 3 border districts in medical and professional colleges. Besides Faridkot has also been classified as Backward Area for the students of which 1% reservation is separately provided. The State Govt. feels that more colleges and institutions should come up in Border and Backward areas of the State. (4) The Society is running 100 bedded hospital. It is also running a BDS College for 60 seats since 1994.

11. Dental Surgeon patient ratio proposed to be achieved: - 1: 7000

12. Copy of the Inspection Report in connection with the Inspection carried out by the State Govt. for grant of permission for setting up a new dental college is to be attached: Enclosed herewith.

The (Name of the person / applicant) – **The Chairman, Sangat Sahib Bhai Pheru Sikh Educational Society, Talwandi Road, Faridkot – 151 203. (Punjab)** has applied for increasing the seats of BDS from 60 to 100 at Faridkot.

On careful consideration of the proposal, the Government of Punjab has decided to issue an essentiality certificate to the applicant for the increasing the seats of BDS from 60 to 100 at Faridkot.

2. It is certified that: -

a) The applicant owns and manages a 100 bedded hospital which was established in 1993.

b) The applicant owns and manages a dental hospital of: NA

c) It is desirable to establish a dental college in the public interest:

d) Establishment of a dental college – **The Chairman, Sangat Sahib Bhai Pheru Sikh Educational Society, Talwandi Road, Faridkot – 151 203. (Punjab)**

e) Minimum 30 OPD Dental patients per day are available to begin with.

It is further that in case the applicant fails to create infrastructure for the dental college as per Dental Council of India norms and fresh admissions are stopped by the Dental Council of India, the State Govt. shall take over the responsibility of the students already admitted in the college with the permission of the Central Govt.

3. **Conditions: -**

The Essentiality Certificate is granted with the following conditions: -

i) All the documents as asked for vide Govt. letter referred to above would be supplied by the Society well before making the admissions.

ii) The Institution will obtain recognition from the Dental Council of India, New Delhi before making admissions.

Principal
Dasmesh Institute of
Research and Dental Sciences
FARIDKOT

iii) No admission shall be made without the prior approval of Punjab Govt. for which the Institute will request the State Govt.

iv) The admissions shall be done as per criteria fixed by Punjab Govt. time to time

v) The reservation of seats shall be as per Punjab Govt. instructions issued from time to time.

vi) The pay scale and emoluments of their staff shall be as per Punjab Govt. pay scales.

vii) The inspection of the Institute shall be carried out on yearly basis up to the completion of the study of first batch of the students. Thereafter, the inspection shall be periodical after three years.

viii) The project is to be implemented as per the approved project report within the prescribed time.

ix) The Punjab Govt. will have the right to withdraw the NOC if the Society / applicant fails to meet any of the conditions of NOC.

x) The construction work shall be completed within two years and admission shall be made within 2 years of the issue of NOC.

Yours faithfully

Joint Secretary Medical Education & Research
